********************** CHATHAM'S NEW MINERAL BATHS

The Chatham Mineral Water Company have completed the erection of their bath house and sanitarium and

will hold a grand opening on Monday. The sanitarium is situated on one of the finest sites in the city, overlooking Tecumseh Park, and the cures which have already been effected by the water assure those who are interested that the company will be a paying concern. No expense has been spared to make the institution one of

the best of its kind in the Province, and the results of the efforts of those who have its management in control are very gratifying.

Anyone who has not yet through the building should not miss this chance of inspecting it.

On the following Tuesday morning the sanitarium and bath house will be open for business, and would be pleased to receive patronage from anyons in the city or vicinity.

THE LYCEUM COURSE. The Lyceum Course number drew an immense audience to the Grand last night. Miss Jessie MacLachlan, Scottish soloist. Miss La Dell elocutioniste and Robert Buchanan, pianist, were

the contributors. Those who heard Miss MacLachlan on her previous visit say that she was laboring under disadvantages last night. She lacked the magnetism and spirit which characterized her initial appearance but her patriotic songs

vere splendidly rendered. Miss La Dell, whose voice is at times modulated too much for an auditorum as large as the Grand, pleased and charmed. Her child impersonation

are exceptionally clever. Mr. Buchanan, pianist, plays well, has brilliant execution and technique, if somewhat weak in expression and accompaniment.
