The Chief Seat of Foot Trouble

Nearly all foot trouble is in the toes. The fore part of the ordinary shoe is the chief mischief maker.

It is just here that the "AULTO" and "FREAK" lasts of the "ASTORIA and GOLD BOND" for men come in.

These two lasts, though altogether different in shape and appearance, are so constructed as to allow the entire five toes to lie perfectly flat as they would if the foot was bare. Then the box, the cap and lining are sewn together in such a manner as to prevent undue pressure on the toes and joints, thereby ensuring perfect comfort. All leather.

Your dear
old tea-cup
is to carry a keener
delight, a new
tea joy to your lips!

For into tea flavor—the very essence
of tea joy—an even richer fullness, a
more zestful vigor has been blended.
The result is King Cole Tea. With
your very first sip you marvel that
such flavor-improvement could be
possible! It tastes so unusually
good. And it never varies,
year in, year out.

YOU'LL LIKE
THE FLAVOR.
