SETA PIPER'S CONTRIVANCE.

It caused a good deal of excite nent in Piperville for some time. Nobody knew what it was. Some cople said it was one thing, others thought it might be something else; but everybody agreed that it was rather startling to behold on a dark it; and it was said that his hair wind, looking at it-the bright mage of a man in the sky, holding a long sword raised above its head a the right hand, and something that glimmered like a lantern in the left. First it appeared to be ascending straight up; then it paused awhile, and afterwards moved off across the river, where it remained stationary some minutes. Next it

came down slowly and hesitatingly until it seemed almost to touch the top of one of the tall pines on the opposite side of the river. Then suddenly it went up, up, higher and

higher, and vanished. Not even the schoelmaster attempted to explain what it was. Comets, falling stars, an eclipse or two, and several other celestial wonders had been predicted for the year in the almanse and newspapers; but nothing like this mysterous everybody feel a trifle awed, if not really scared, and the next day hard ly anything else was talked about.

"I believe it is one of those pesky things that there's always pictures round, I reckon."

plied a good-natured old man, Uncle Simeon. "But maybe now its the Augel Gabriel a-huntin' for some-body. Just as like as not that what shaky," Jake whispered.

They were among the crowd gathered around the stove in the Dave growled. village grocery store, and Seth o all that was said. He was a suddenly and listened round-faced, thick set, quiet kind of boy, who never talked much, but at their left a dry limb had snapped, always kept up a good deal of and they heard it. For a momen wanted to laugh when Uncle Simeon not see it and went on. suggested that the strange phenom-

dark night, with a breeze blowing moments, he saw the young Pixleys across the river. Then, if they run from out of the shed lato an open It was coming down faster and faster, and he shouted at the top of

Gabriel, over by the shed?"
Instantly there followed a loud. sharp report, and the old man lesped into the air several feet, and then struck out for the shore, without hat or boots, wildly intent on reaching home in spite of fire or water.

The three in the boat, a short die tance from the island, saw him rush quietly.

"They're all up to the schoolhouse, and we have here a clear
show, I reckon," said Jake, in a low
tone.

"Go slow and k ap quiet with

up called out:

"Hello there! Who are you?"

Hello!" the old man returned, as soon as he could get breath. "I'm—

I guess I'm Zekiel Tompkiss. Who

"Yes, sir-ee. I reckon I did," Mr. Tompking answered, puffing.
"Come along, then, and show us where it is "
"Wal, I guess not atranger. Not while I gut legs to run the other way. It's my opinion the tarnation thing is up there somewherea busted. You'd better keep clear of it."

The man of magic laughed contemptuously and walked off to the grove. He believed he knew what it was, he said, and he meant to see it was, he said, and he meant to see
if he hadu't put a hole through it.

What he found hanging emong
the limbs of the pines perhaps the

a stick he held in one hand.

"I don't believe anything like it has ever been seen in this ere part of the world before or anywheres else." said the storekeeper.

"Nor I either," agreed a bronzed old farmer, who was sitting on a harrel and resting his cowhide hoot.

"I don't believe anything like it had been to orawl hide boots, and then began to orawl hoo phorecont figure. This had a component of the world before or anywheres else." said the storekeeper.

"Nor I either," agreed a bronzed old farmer, who was sitting on a horizon in the sky and the same of the kite, which have any one was becoming resting his cowhide hoot.

harrel and resting his cowhide boot on the rim of the stove. "According to my idee, it's one of those kind of things that don't turn up every day in the year."

"I never heard anything like it afore." Uncle Simeon said.

"If it was the Angel Gabriel, pehaps he was after thieves," Seth the stop of the stop of the said and a state of the said on the said of things to not the school-house, was just finished, and as the crowd came out all each over, and expressed themselves in more ways than one about it. Seth the thing at once. This time it was a somewhere or other, a little out of breath, and looked the said on rather anxieusly. The thing was the pet invention of his mature years and he could hardly resist the lanters, and now an then diving claiming it; but his bump of dis-

venturee to suggest, turning a trifle red and looking around.

"Thieves!" said the storekeeper a little surprised.

"Thteves! Eh?" queried Uncle Simeon. "Why, sonny, what puthat idee into your head?"

"Oh! nothing much. I was only "It's get a heep more gumption." Uncle Simeon, who was nothing its lantern, and now an then diving claiming it; but his bump of discipling the wind.

"Sakes alive! What on earth wool a good scare.

"Sakes alive! What on earth wool a good scare.
