Any person who may be afflicted with the same terrible disease I would certainly advise to try Vecktine, for I assure you (as many can testify) that it is undoubtedly the best medicine on record for the Kidney Disease. I am able to work at my trade as gilder and earn a living for my wite, two children and myself, through Vecktine, which I consider is worth its weight in gold.

defence. Within it our assailants that, she had some retreshing slumber. Only that, she had some retreshing slumber. Daybreak brought our besiegers back again; but this time there were three so long. I resolved to try it; so I went of them, and they carried among them something that I took to be a ladder. I woke David and set him on the leart, and went over the house once mother's pillows, and pulled out a find went over the house once to see that all was sate. David the hall, and running hastily thither, which I consider is worth its weight in gold. could lurk unobserved, and it gave Daybreak brought our besiegers back amuse itself, and keep quiet for ever were nearly frustrated. I heard a ringing sound upon the pavement of the hall, and running hastily thither, I found that the key had fallen from the lock and another key was being introduced from the outside. My out of the skylight reconnections to be a ladder. Then I made a little hole in one of mother's pillows, and pulled out a good handful of feathers. The baby stopped crying as soon as it saw what the little closet chamber, with his head I was at, and so led me on just or purwhich I consider is worth its weight in gold. Hoping that those who may give VEGETINE a trial may receive the same benefit that I have, I remain,

Yours respectfully,

CHAS. COOKE,

106 John St.

I gave Mr. Cooke the medicine, and I known. seized and turned round from the other where there was a wide, open chimney. it would, so I thought I would let it side. I was just in time to place my foot against the door, whilst I suc- was heard in the chimney, and the room to read a little while. That baby ceeded in putting the bar across. My bottom of a light ladder appeared, never made a sound for ever so long,

heart beat violently with excitement, gently lowered down. and I was tortured by the thought that some forgotten precaution might ruin David up the chimney; and with that plan for keeping it quiet. I just let it everything. But after this attempt he put a match to the straw, which enjoy itself till about ten minutes benothing more was done; quiet and blazed up fiercely. We heard a loud fore the time when they were to get silence reigned everywhere through the house.

I let the doctor out through the drawing-room, which I immediately secured. He had undertaken to see Mr. Tranter and try to induce him to withdraw his men. He presently returned and spoke to me at the window black from the funeral, and then I went down to mother's room to look after down to mother's room to look after the "little innocent," as Sue calls it. Much innocence there is about that baby. I never saw such an awful spectacle. The baby had got held or the time when they were to get back from the funeral, and then I went down to mother's room to look after the "little innocent," as Sue calls it. Much innocence there is about that baby. I never saw such an awful spectacle. The baby had got held or spectacle it. It is with pleasure that I inform you that VEGETINE not only sells rapidly but gives satisfaction in every case within my knowledge. I recommend it in preference to most other blood medicines.

I am, Yours, etc.,

WM. W. REES,

Druggist.

withdraw his men. He presently returned and spoke to me at the window of my bed-roor. "No use," he said. Softly, "he'll have his pound of flesh."

The day passed heavily enough. At every sound I quivered and trembled, thinking that the men had broken in.

> Our Baby Again. BY JIMMY BROWN. After this don't say anything more

To my surprise I was greeted by a fragrant smell of cooking from the kitchen, and entering, found David standing over a capital fire, his face more spiteful and mancious than a baby. Our baby got me into an awful scrape once—the time I blacked it. But I didn't blame it so much that time, because, after all, it was partly my fault; but now it has gone and "Caught some trout for your supper, done one of the meanest things a baby "I'd sell off the best of the cheese and honey they were, those crisp, brown trout, And eggs is as good, nigh about, 's the to a hungry, weary man. David mother and Sue said they would never waited upon me with gratified pride, trust me to take care of the baby again, and urged me to eat still more and but the other day they wanted awfully more hot from the pan. He had come to go to a funeral. It was a funeral to the conclusion, he told me after of one of their best friends, and there supper—to which he had been prompt—was to be lots of flowers, and they ex-
