imported from the "New Dominion," he would have to pay over £3,000. Therefore, the consumers would have to pay perhaps £1200 more tor the same guantity of goods, for the importer would require some per centage upon the additional £1,000 which he would have to pay. I make these remarks be-ation says that we would get our goods from Hali-fax free of duty. I de not think he thews what he is talking about. This is the true light in which to view the matter, for we cannot suppose that the duties can be any less under the "New Dominion" and the "New Dominion" the new Point the "New Dominion" the "Ne view the matter, for we cannot suppose that the I duties can be any less under the "New Dominion" than the Canadian tariff is now. If we were to en-

r the profession of school-teaching, a more useful boook. titive examination, could not have a more useful boook. E. REILLY. Scrofula or King's Evil and Swelling of The London Quarterly Review, (Conservative.) The Edinburgh Review, (Whig.) The Westminster Review, (Isadical.) The Westminster Review, (Isadical.) For sale by Herald Office, Kent Street, Dec. 100 acres of Land, the Glands. than the Canadian tariff is now. If we were to en-ter Confederation we might receive a few articles free of duty, but they would be a mere bagatelle. Nine-teaths of the goods imported here are from Great British and the West ludies, and upon them we would have to pay from 100 to 150 per cent imposing a little higher duty upon rum and gin, though I would not like to see it raised so high as to interfere with the West India trade Hon. Mr. PALMER: I agree with his honor who has just spoken with regard to a comparison be-tween our tariff and thai of Canada, tor I think it is very favorable to this Island. Their tariff will no to the spoken with regard to a comparison be-tween our tariff and thai of Canada, tor I think it is very favorable to this Island. Their tariff will no This class of eases may be cured by Holloway's purifying Pills and Ointment, as their double action of purifying the blood and strengthening the system renders them more aff-able than any other remedy for all complaints of a scrofulo nature. As the blood is impure, liver, stomach ad bowels being much deranged, require purifying medicin to bring about a cure. CHILDREN TEETHING about a cure. MONDAY, Ap REVENUE BI

REVENUE BI Hon. Mr. GORDON: I wish to repecting this additional duty. than six-pence, for I see there penny per gallon on the bubbles of proof by Sykes' hydrometer. I daty to be an additional bounty of honor from the second Distret of Muirhead) said the high duty would prevent run from being an taking a cortain number of casks allowed, then it is easy to run it and from theme to this Island, the Castom House. I wonsider a curse to the country, and I am sumes. I think is would be be drink more of the cheaper this poincoms whitege and run. It my left (Mr. Diagweil) thas the burden upon the people. It con-dollar more per harced in counter

burden upon the people. I follar more par barrel in e the merchant will have his ve his pere the merchant will have not. This well as upon the first cost. This the near, and though we are re
