MINARD'S "KING OF PAIN" LINIMENT

Extract from a letter of a Canadian soldier in France. To MRS. R. D. BAMBRICK: The Rectory, Yarmouth, N.S. Dear Mother:— I am keeping well, have good food and well protected from the weather, but have some difficulty keeping uninvited guests from visiting me. Have you any patriotic drug-gists that would give something for a gift overseas—if so do you know something that is good for everything? I do—Old MINARD'S Liniment. Your affectionate son, Ros. North Shore Boys' Conference at Chatham

About Sixty Boys Have Canadian Standard Efficiency Tests Explained to Them

The first North Shore Boys' Conference on Canadian Standard Efficiency Tests was held in St. Luke's Hall, Chatham, Friday evening, Saturday and Sunday, 15th-17th instant, under the Superintendence of Rev. L. A. Buckley of Halifax, Director of Boy's work in the Maritime Provinces, in connection with the Y. M. C. A.

The first session commenced at 8 p. m. Friday, with about 60 boys over fourteen years of age present from Campbellton, Newcastle, Douglstown, New Mills and Chatham. Rev. J. J. Pinkerton presided. An address of welcome was given by Rev. John Harris of St. John's Church, Chatham. Representatives from each of the denominations present assured the boys of the interdenominational character of the gathering and emphasized the fact that all were allies. Following officers were elected from among the boys: President—Lorne Weldon, Chatham; Vice-president—Wm. Jessamin, Douglstown; Secretary—George Harrison, Chatham.

It is planned to have this gathering an annual affair. Each of the newly elected officers gave an address, short but to the point, in real boy style. Rev. Mr. Buckley spoke on the need of a four-fold life, explaining the Canadian Standard Efficiency Tests. The second session opened at 10 a. m. Saturday, President Weldon in the chair.

Rev. J. J. Pinkerton introduced a very helpful discussion on The Boy and the Church, in which Manual Training Instructor Ralph Manzer, Douglas Dower, secretary of St. Luke's Institute, and many of the boys took part.

Rev. Mr. Buckley led a round-table discussion on the organized class, showing the wonderful possibilities of a boy's class when thoroughly organized and conducted by the boys themselves. The classes that have been talking up this work reported briefly on the activities of their groups during the year.

The third session opened at 2 p. m. the president in the chair. The Morning Watch booklet was presented, after which the C. S. E. Tests were further explained and one of the boys tested.

At 4 o'clock the boys went to the College rink, where the Campbellton boys played the boys of Chatham the Campbellton boys putting up a good game but being smaller on the average than those of Chatham. Both sides played a good game and the best of good fellowship prevailed.

The line up was: J. Bernard goal; L. Fitzmaurice; A. McLennan Point; A. Wyers; A. McDonald C. P.; A. Metzler; A. Fleming Rover; E. Henderson; N. Betts Centre; R. McDonald; G. Harrison R. W.; H. Mann; L. Weldon L. W.; R. McLean; C. Fleiger Spare; A. Dewar.

Referee—W. Lyons. After the Hockey Match some of the boys went through the Natural History Museum, and some into the Gymnasium of St. Luke's.

At 6:30 supper was served by the young ladies of Chatham. It was a plain war-time supper to which the boys did ample justice. When it was over the toasts were announced, each in a neat little speech by the president, Lorne Weldon, and responded to as follows:— 1. The King—Rev. J. J. Pinkerton. 2. The Boys overseas—Mayor W. B. Snowball.

3. The Training Camp—Arthur A. Dewar. 4. The Conference—Douglas Dower. 5. The Ladies—G. H. Harrison Jr. After these addresses all of which were well thought out and well delivered, stirring addresses were given by Rev. Dr. C. W. Squires of Newcastle, and Rev. L. A. Buckley.

Rev. Mr. Buckley gave an address to the Delegates and the boys of the town at 3:45 Sunday afternoon and gave his next address in St. Luke's Church Sunday evening. In the morning he spoke on Boys' work in Newcastle Methodist Church.

Germans Again Raid London

Three Attempts by Air Made on Three Successive Nights—Some Casualties

Six German airplanes attempted to attack London on Saturday night, but only one of them succeeded in reaching the capital. This raider dropped one bomb which demolished a house in the south western district and buried an invalid officer and his wife and two children. Several other bombs were dropped by the raiders on the outskirts on its way in. An attack which was delivered against Dover about 10:45 was driven off, some bombs being dropped in open country. On Sunday night six or seven air planes took part in the raid. The first flew over London, dropping bombs in various districts. All the others were turned back.

The casualties in Sunday night's air raid were 16 killed and 37 injured. It was officially announced this afternoon. The report on Saturday night's was killed 9 men, 5 women and 3 children. Injured, 1 man and 3 children.

German fliers took advantage of another clear moon-light night on Monday to attempt to drop bombs on London. Their attack was a failure as far as the metropolis was concerned. The fire of barrage guns on the outskirts of London was heavy for two hours. The work of both the gunners and the airmen seems to have been the best yet shown.

With the Fingers! Says Corns Lift Out Without Any Pain

Sore corns, hard corns, soft corns or any kind of a corn can shortly be lifted right out with the fingers if you will apply directly upon the corn a few drops of freestone, says a Cincinnati authority. It is claimed that at small cost one can get a quarter of an ounce of freestone at any drug store, which is sufficient to rid one's feet of every corn or callus without pain or soreness or the danger of infection. This new drug is an ether compound, and while sticky, dries the moment it is applied and does not inflame or even irritate the surrounding tissue. This announcement will interest many women here, for it is said that the present high-heeled footwear is putting a corn on practically every woman's foot.
