The following information is summarized from a letter from Mr. S. Messer, President of the Company :--

1. The Continental Oil Company, Limited, of Canada, the business and assets of which have been acquired by the North Star Oil & Refining Company, Limited, a Canadian corporation, has been in successful operation in the Frairie Provinces for the past eleven years.

2. The Company has no bond issue or other funded indebtedness outstanding nor any floating debt other than current accounts payable.

8. Earnings after the completion of a refinery for the production of refined oil, gasoline and lubricating oil, at Winnipeg, which refinery is expected to begin operations about the middle of the year, are estimated to be initially at the rate of \$150,000 to \$160,000 annually, or equal to over twice the dividend upon the Preferred Stock. With the completion of other refineries, earnings are expected to materially increase.

4. The Company has affiliations with large and responsible producers in the United States which should ensure a continuous and constant supply of crude oil. In the event of the development of crude oil in commercial quantities in the Canadian West, the Company, with refineries at Winnipeg, Saskatoon and Calgary, will be in an advantageous position to manufacture from this crude, refined oil, gasoline and other petroleum products for the Western trade.

Applications, which should be accompanied with cheque for full pay-ment, will be received only on the understanding that the right is reserved by us to allot all, a portion only, or none of the amount applied for. In the event of a partial allotment the balance, and if none be allotted the full amount forwarded, will be returned to the applicant.

Interim Certificates will be issued pending engraving of definitive certificates.

It is intended that application be made to list these issues on the Toronto, Montreal and Winnipeg Stock Exchanges.
