SHORT HORN BULL. - Messrs. J. M. & H. Cook, of the 7th con., Goderich Township, have purchased a splendid shorthorn bull from Mr. G. Thomson, of Alton, Co. of Peel. We may look for an improvement in the cattle in this section, if "Crown Prince" is patronized by our local breeders. Mr. H. Cook has also purchased a fine brood mare, by Mr. Joseph Fisher's "Simon from Mr. Nicholas Stanley, for \$150. The Messrs. Cook are amongst our most enterprising stock breeders, and we trust their energy will be fittingly rewarded.

The regular quarterly examination of the school was held on Friday, 25th March. The teacher, Mr. Higgins conducted the examination, and was assisted by Miss Hamilton of No. 8, and W. S. Lawrence of the Union, Goderich Townshir, and the result showed a thorough knowledge of the different subjects usually taught in our public schools. It was very well attended by the parents and guardians of the children which showed the very great interest taken in educational matters in this section. The proceedings occupied the greater portion of the day and were interspersed throughout with choice selections of music given by the pupils, led by their teacher, which were rendered in good style.

The History, Geography and Arithmetic deserve particular notice. The History and Geography classes were examined by their teacher and all present could not fail to be delighted with the answers given by the pupils and also with the manners, in which they were elicited, by the teacher. Tear them down.
