BASEBALL.

MAROONS OUTCLASS IRISHMEN.

The twelve innings game of Monday evening was in a different class from the two games of yesterday. It was a game evenly contested in which the two teams appeared equally to advantage and the fans were hugely delighted at the showing made by the Irishmen against the Maroons. At one stage of the game the Irishmen all but won out.

Yesterday the most optimistic of the fans were disillusioned. There are holes in the local team and until they are plugged up Edmonton has little chance of climbing up the percentage heap from its present tumble position. There are folders and batters and pitchers on the team as good as any in the league. The best are equally at home with the stick or the glove. It is time that their splendid work is given a chance to count for something. Why does Edmonton almost invariably leave more on base than any of the opposing teams? The good men get there and the others leave them there.

Strain your team through a sieve. Manager McGuire has a right to have to uphold you or take the alternative of empty bleachers and money bags after a few more games.

WINNIPEG 8, EDMONTON 2.

Grady, of Spokane, a long, lean Irishman, recently added to Edmonton's pitching staff, made his first appearance with the Maroons yesterday morning. Larry Piper stood up to receive his introductory shots. The first everred ball in line style, but four or five others went wide and Piper walked, never striking at one of the six hits delivered. Krueger went out to first and lined the sphere out to third base. He reached first safely but Piper was pegged out at second. Anderson singled, Holmes missed three strikes, but Burridge let the Maroons go on an error. Burridge was pegging Holmes out at first. Bond hit to McGuire who threw him out at first.

The Irishmen also noticed one run on each side went to bat. Edmonds made a splendid drive for three sacks but it counted for nothing as he was caught napping on third a little later. The Maroons got another in the third. Van Zant walked. Piper sacrificed him neatly. Krueger went out at first but Anderson singled, scoring Van Zant.

The Irishmen got their second and last run in the fourth inning. McGuire singled, Gragon made first on fielder's choice and McGuire came home on an error by the left fielder. Gragon was touched out at third base and McGuire and Moran went to the outfield.

The Maroons scored again in the fifth, sixth and seventh innings, making one run in each inning. In the fifth, Edmonds struck out. Speiser walked and Van Zant singled. Piper sacrificed him at first. Gragon scored. In the sixth the first two men up went out in short order. Then Beatty was hit by the pitcher and Edmonds singled. Beatty scored on an error by Moran. Speiser hit to short and went out at first.

Van Zant opened the seventh with a single. Larry Piper lined the ball out to second base and Van Zant made the fifth and last run for the Maroons.

Score by innings—100 100 0-2 Winnipeg 8; 101 011 000-2 Edmonton 2.

Summary—Stolen bases, Krueger 2; sacrifice hits, Gragon 2; errors, Krueger 2; two-base hits, Piper; three-base hits, Edmonds; struck out, Grady 4, Van Zant 1; first base on balls, Grady 4, Van Zant 1; time 1:45.

WINNIPEG 8, EDMONTON 2.

The score tells the story. Edmonton was outclassed in the evening game even more badly than in the morning. The game started well enough. A double play striking Krueger and Anderson to first, McGuire, after Piper had hit to pitcher and gone out at first. O'Brien made first on home run error and advanced on McGuire's sacrifice to score when Gragon singled to centre. Gragon took second on the throw in and third when Brennan went out at first, scoring on Lee's hit. Lee was caught stealing second.

In the third Winnipeg evened up the score making two runs after two men had been put out. Cierzon and Krueger on second and first respectively, each advanced a base on a poor throw to first by Burridge. Anderson singled scoring both of them.

In the fourth Holmes opened up with a three-bagger. Bond went out at first. Beatty made first on a sacrifice and an error by Smith and scored Holmes. Edmonds got first on an error of Parker's. Then Speiser hit for two bases scoring both Beatty and Edmonds. Cierzon was caught out by O'Brien. Piper singled scoring Speiser, but was pegged out at second by Burridge, while trying to steal.

McNeil took Smith's place in the box after the fourth inning and held the visitors scored.

In the seventh inning, Piper, Krueger and Anderson all hit to McNeil and were thrown out at first.

Piper scored Speiser with a two-base hit in the ninth and came home himself on Krueger's single. This ended the scoring for the game.

Edmonton had no chance to score after the fourth inning when Brennan opened up with a three-bagger followed by Lee with a single. But Burridge struck out, and was caught in the left field and Gragon who was coming for Lee, was pegged out at second.

A peculiar feature of the game was that the three-base hits by O'Brien, Holmes and Brennan were made in three consecutive innings O'Brien tripled in the last of the third, Holmes in the first of the fourth and Brennan in Edmonton's half of the fifth.

Score by innings—200 000 000-2 Winnipeg 8; 002 000 000-2 Edmonton 2.

struck out, Smith, McNeil 1, Cierzon 3; first base on balls, O'Brien 2, McNeil 2; left on bases, Edmonton 3, Winnipeg 5; time 1:30.

BRANDON 5, EDMONTON 4.

The Irishmen made a gift of the afternoon game on Saturday to the Brandon Angels. They can ill afford to be so generous. Their charitable stunt has brought them down again to the bottom of the percentage heap and given Brandon a boost upwards.

The hopes of the fans for a double victory on Saturday were greatly augmented when Edmonton after retiring the Angels in a hurry, scored two runs in their half of the first inning. But in the third Brandon evened up. Then the McGuire's added two more to their tally, with ease, in their half of the fourth inning and held this lead right up to the ninth, when the Angels, with two men out, by a brilliant double play scored three runs. Edmonton was blank in the second half of the ninth, and the game belonged to the Brandon Cheevers. There was a sorry lot of mistakes. It was all over in an instant, and the cheers which the fans had been saving up for the final moment of triumph were changed to groans of despair.

Give a game away when it is so badly needed and so positively expected. Such prodigality was unheard of. Apart from some spectacular fielding O'Brien and the Angels' batting base in the ninth the game was of the common garden variety.

Lee pitched well enough to win his game and deserved better support.

In Brandon's first inning Morrell hit to Lee and was thrown out at first. Then he got hit by the leather and took his base but died there. Thompson flew to first and Brown flew to third.

O'Brien went out on a hot one to first. McGuire drew a base on balls, made second on Gragon's out to first and scored. Burridge hit to Gragon, who threw him out at first. Burridge scored.

eye on the cigar, then hit the ball out to Burridge, who misjudged it. Miller followed with a two-bagger which scored him. Thompson got first on O'Brien's error and Miller went out on third on a hit to McGuire.

McGuire's clean hit in the seventh after O'Brien had struck out, was the only really easy crack made off Heinrich during the whole game. He was the first Irishman to reach first. Gragon followed with a single and McGuire took to third. It seemed a likely time for the Irishmen to score. Only one man was down.

INSTRUCTION AGAINST MARSH.

Winnipeg, June 28.—John D. Marsh, the Winnipeg runner, who is at present in the west and has fixed up dates with the general, the Edmonton boy, and others is having a hard time if lawyers can do anything. Before departing he broke with his manager, James Bell, and went out on his own account. Now Marsh has, as according to the man who formerly took charge of him, been working out of his contract.

"I had a contract with Marsh until December 10 next," said Bell, when seen this morning, "and my lawyers are following him about the country. I took Marsh away east, and under my instructions he was to remain in the west. He was considered one of the best at the game." Bell will keep after him, and will prevent him from running at Calgary, Regina or any other place he attempts to go to the mark.
