This is the New U. S. Steel Four Drawer Filing Cabinet with a filing capacity of 20,000 letters.

It is one inch narrower than the next best metal file, and two inches narrower than a wood file. Made by the largest exclusive manufacturers of Steel Office Furniture, and that is why we can sell it at \$40.00.

We sold three of them a little while ago to one Water Street firm. Come in and see it now.
