Spring Suitings!

Have just opened our new Spring Suitings. We were fortunate in securing a splendid range of

English Worsteds and Irish and Scotch Tweeds.

Notwithstanding the scarcity of the woollens and the drawbacks in freights, we are able to show as good a selection as before the war. The latest in cut, the best in make. Write for samples and self-measuring cards.

The EASTERN TRUST COMPANY
WE GO ON FOREVER.

Just two reasons why the Eastern Trust Company can administer an Estate better than a personal executor or administrator.

1.—It has nearly twenty-four years' experience, and its existence is perpetual, neither does it cost any more to employ the Company than an individual. The Company affords the Estate absolute security. It has a paid-up capital of \$1,000,000.00 and a reserve of \$250,000.00. The Estate held in trust to December 31st, 1915, amount to \$15,036,688.85.

2.—In the event of the death of a personal executor or administrator, your Estate must look around for a substitute. The new administrator is unfamiliar with the business and confusion is often the result. The death of any officer of this Company does not break the continuity of the policy of administration.

While the Company administers over Fifteen Million Dollars worth of Estates, it also does a very large business in executing Trusts of all kinds and acting as Financial Agents of all descriptions. We can give fullest satisfaction in the collection of rents, interests, mortgages, dividends, etc.

Full information cheerfully given and all communications treated as absolutely confidential. CALL OR WRITE.
