

Have You Seen the JEWETT CAR? THE JEWETT IS PAIGE BUILT.

The new Jewett is of Paige conception, designed and built by Paige engineers and mechanics in the Paige shops. From its Paige origin the Jewett inherits those unmistakable marks of Quality, characterizing the work of a group of men, who for ten years past, have been building the fine six-cylinder cars, bearing the Paige monogram.

Let us demonstrate to you its remarkable power and quality—5 passenger touring—\$2200; Sedan \$2850.

FRESH

The two tips and a bud used to make Blue Bird Orange Pekoe are plucked in the dew of the early morning. They are cured in the gardens and rushed direct. Here they are blended, sealed and sent to your dealer. Demand is so great (Blue Bird is the fastest selling tea in its territory) that the stock of every store is always fresh and you receive it in all the goodness of its garden freshness.
