THE MENACE OF COAKERISM.

MORE REASONS WHY YOU CAN- NOT VOTE FOR SQUIRES AND COAKER CANDIDATES.

A vote for Coakerism is a vote to turn the laughter of happy little children into tears of misery and poverty.

A vote for Coakerism is a vote to impose bitter infection on every mother whose means of existence depend on the earnings of her husband or sons.

A vote for Coakerism is a vote to prevent your sisters from obtaining the necessities of life and the means to clothe themselves in comfort.

A vote for Coakerism is a vote for the banishment of your son from the home of his parents to seek a living elsewhere among hard hearted strangers.

A vote for Coakerism is a vote to destroy the happiness of your aged parents in their declining years when they look to you to comfort and protect them.

A vote for Coakerism is a vote to destroy every business establishment in St. John's and the throwing out of employment of thousands of workers.

A vote for Coakerism means no steady employment to help you purchase coal in the biting blasts of the wintry season.

A vote for Coakerism is an invitation to the balliffs to enter your homes and surrender your effects for the want of employment in St. John's to keep your effects from being pounced on.

A vote for Coakerism is a vote to snatch the sustenance of life from the hand of every little child in the city whose bread winner depends upon the city's prosperity for his work and wages.

A vote for Coakerism is a vote to prevent the parents of the working men from earning enough to clothe their devoted little children.

A vote for Squires in St. John's West is a vote which means further persecution from the want of employment for the families of the wage earners.

A vote for the Coaker Beehive stingers in St. John's East is a vote for the empty flour barrel and the bare coal cellar for the sons of toil and artisans of labour.

A vote for Coakerism is a vote to prevent a parent from earning sufficient to give his children a fair education.

A vote for Coakerism is a vote to bleed the taxpayers to support a few high priced faddists to exploit their educational fads.

A vote for Coakerism is a vote to demolish to the ground every factory in St. John's and throw hundreds of families out of employment.

A vote for Coakerism is a vote for the further taxing of your property to pay the city and public debt, or may be to see your property go to the hammer of the Auctioneer for the want of means to save it for yourself.

A vote for Coakerism is a vote to destroy the business premises which are the life blood of every prosperous city and without whose activities every family in St. John's would suffer intensely.

A vote for Coakerism is a vote to inflict more torture on the already overburdened taxpayer.

A Tribute to the Memory OF THE LATE JAMES GUSHUE, VICE-PRESIDENT W. Y. M. L. C. LITERARY CLASS.

(By the Wesley Young Men's Literary Class.)

St. John's, Nfld., April 17th, 1923.

The Wesley Young Men's Literary Class has undergone a great loss in the death of the late James Gushue, its Vice-President. Indeed the Literary Class feels keenly the passing to the Great Beyond of one of its most dear and loyal members.

For the past number of years the late Mr. Gushue held the position of Vice-President of the W.Y.M.L.C.—not by his own wish—but by the unanimous desire of the Class; as he often said: "If the boys want me to take the job, I'll take it."

To the Literary Class he was a father, who through his seasoned reasoning, wide experience and personal magnetism, he influenced, guided and spurred the members to accomplish. To the individual of the Class he was just a "boy"—only more advanced in years, with a kindly word, helping hand and a smile for each one, he so endeared himself to them through these virtues that he captured their hearts and won their everlasting friendship and good-will.

The late Mr. Gushue was a man to be desired by any organization, as he believed that upon the individual's support and co-operation could any organization be a success, and therefore, always on the night of meeting, despite adverse weather his attendance at the meeting was certain, unless unavoidably detained. He was a conscientious and industrious man; giving and doing the best at all times. His sunny, genial and kindly disposi-

tion, and his strong character, won for him numerous friends.

Through his ability, his interest and activity he did and accomplished much to make the Literary Class a success. He was a true and loyal friend and member, and always stood for what he thought was just and right; his record was honourable.

The loss to the Class of so valued, loyal and true member is greatly felt. To his dear wife and family the Literary Class earnestly prays that God, who doeth all things well, shall bless and strengthen them in their hours of sorrow and trial.
