# FALL IMPORTATIONS!

J. CHARLESWORTH & Co.

44 YONGE-ST., TORONTO.

We have the pleasure of informing our customers and the Trade generally that we are now in the receipt of our Fall Importations, and are showing a full assortment of **NEW GOODS** in each Department.

Having taken advantage of the late depression in the Manufacturing districts, we have been enabled to secure **Cheap Lines in almost every Class of Goods.**

We would call the special attention of our friends to several large lots of **Plain and Fancy Wineys**, which we think particularly good value.

Our Stock of **Fancy Dress Goods, Shawls, Hosiery, Gloves, & Fancy Wool Goods**, will be unusually complete.

We would also mention as worthy of notice **Plain and Fancy Flannels, Blankets, Mantle Cloths and Trowerings.**

We have imported a more **Complete Stock of Staple Goods** than we have hitherto offered, and feel confident in inviting an early inspection.

Our stock will be kept assorted by weekly arrivals of New Goods during the season.

### South Waterloo Show.

We notice that some of the farmers belonging to the County of Wellington have been exhibitors at the South Riding of Waterloo Show, which was held at Galt on Wednesday and Thursday, and been very successful too. In horses Mr. Kenneth McKenzie took a first prize for a brood mare, for general purposes, Hector McCaig a third for a span of heavy draught horses, and K. McKenzie again a first for a two year old filly. In cattle Geo. Ruid took a first for a two years old bull, first and second for cows, first for a yearling heifer and second for a heifer calf, all these animals being Devons. In grade cattle Henlock Young took a first for a cow of any age, a first for a two years old, and also for a yearling heifer, first and third for heifer calves, and first for a fat cow or heifer. In the same class Mr. Sturton took a second prize for a yearling heifer. In Leicester sheep Peter McGregor, Paslinch, got a third for a shearing ram, and D. Sturton a second for two shearing ewes. In sheep, not thoroughbred, P. McGregor received a first, and D. Sturton a second for a pair of ewe lambs, the latter also took first and third for shearing ewes, and the former a second for two ewes. Wm. Evans got a second for a pair of fat sheep. The same gentleman took a first for a pair of small breed pigs, and a first for a pair of Black Spanish fowls. For flax seed the first prize was awarded to K. McKenzie, also the second for fall table pears, the first for winter table pears, and the first in each of three classes of onions, red, white, and yellow. For "turnips of any other sort" (than Swede) Wm. Evans took a first, and the same for mangrel wurtzel. Certainly Paslinch took a fair share of the prizes that were distributed in the South Riding of Waterloo.
