Temporary Agreement. "A temporary agreement was entered into by the two associations on union. The terms of this agreement has already been published in the

columns of the local press. Immedi- much as possible."

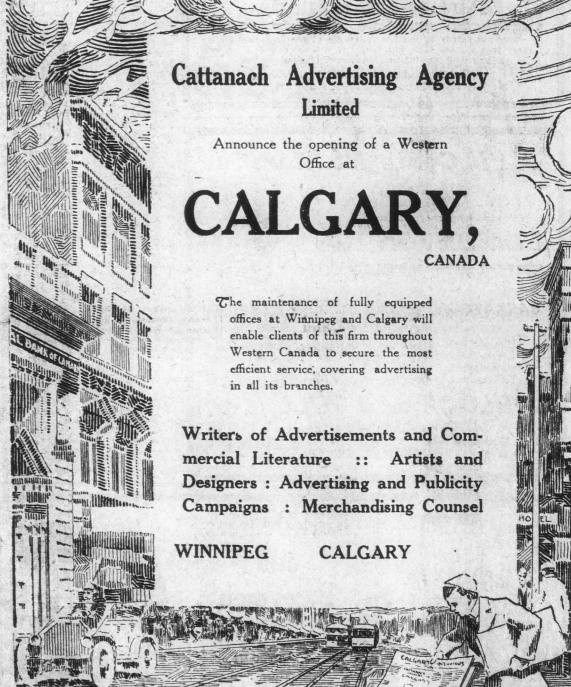

August 1, we got into touch with the stonecutters' committee, and arranged for a meeting with our committee, which took place that same vening. The situation was gone over thoroughy, relative to the rights of the stonecutter and the stonemason. We adourned to meet again on Monday evening, August 5, to give my committee an opportunity to take me over the ground so that I might make a Mr. Whitman seeks, but the district personal investigation, that I might be attorney expressed tonight a strong able to talk more intelligently of lo-conviction that Becker would certainly cal conditions when the committees cal conditions whe nthe committees met again. On Monday evening we met and commenced to draw up a form of an agreement; we made some progress, and at a late hour adjourned to meet aga in Tuesday evening at 7:30, when each side argued and battled for their respective associations, and after a four hours' session, an agreement was reached, which was considered fair by both sides, a copy of which we present for publication. meeting of their association for Wednesday night to consider the said where Jack Rose, the gambler, was in agreement, and recommended the same for adoption.

Recommendation Was Rejected. "After a lengthy discussion, the recommendation of the committee was ejected. On Thursday evening the stonecutters' committee waited upon me, and advised me of the result of their meeting. I informed the committee that I did not think their union had given tht proposed agreement justice, and had not given it serious consideration; but, as their regular neeting was on Friday evening! ask

ed the committee to request their union to permit me to appear before This thy did, and I appeared and discussed the agreement in its entirety, and tried to impress upon them that there were other interests to be considered aside from the unior I represented, and theirs also. The owners, contractors, and the general public and that the action of their union in rejecting the agreement recommended by the joint committee meant the opening up of hostilities again, which would probably mean the desmember-ment and possibly the annihilation of one or the other union.

"I may say further, that it has been my pleasure to adjust disputes between the stonemasons of our organization and local branches of G. U. stonecutters in many cities in the last ten years, and we have never failed in the drawing up of agreements that has been satisfactory to both parties, and they have brought lasting peace and harmony between the trades, and tions between the stonemasons and similar in its makeup to previous crossstonecutters have been brought to an Furthere, there has been permanent end by the action of the stonecutter's commettees between the two unions, where such agreements exist, to whom all grievances are referred and settled without less of time or mone fore, I am exceedingly sorry to find unon and treat a mitter of so serious character with so much indifference, However, since they have done so, we cars will be placed on the Bankview and Seventeenth avenue line, which will be run on a fifteen-minute sche- the arrival of an international offi- terms of our classification of stonecer of the Bricklayers' and Masons' masonry, and hew closely to the same.
