A Popular Ciergyman in Sabbath Schools.

The Rev. John McKillican, agent of the Canada Sabbath School Union, is known in every section of Canada. He has established thousands of Sabbath schools during his many years of faithful work, and but few men have done a greater work for the religious training of the young in our Dominion.

The Rev. Mr. McKillican, who travels in all sorts of weather, often has the misfortune of being attacked by colds. At such times the reverend gentleman uses Harvard Bronchial Syrup, and quickly rids himself of all trouble and danger. He has seen fit to testify in favor of Canada's great cough remedy as follows:

"From personal experience and the testimony of others to whom I have suggested the use of Harvard Bronchial Syrup, I can strongly recommend it."
