deliver an illustrated lecture on hi rip "Across Canada to the Russo Japanese War and Philippines," tomorrow evening at the city hall, under the auspices of the Women's Christian Association. Lieut. O'Flaherty brings fine collection of colored slides and moving pictures. Some of the moving llustrations depict the most important scenes in the Russo-Japanese war, and he Philippine insurrection, in which side of the United States. Others represent scenes in Japan, China, on the China Sea, busy streets in Manila, and the customs, amusements and family life of the civilized and semi-civilized natives of the Philippine Islands. The proceeds of the lecture will go to the Home for Incurables.

STOCK MARKETS. H. C. Becher, stock broker, next Free Press building, received the following by

private wire from Bartlett, Frazier & Carrington today: New York, Dec. 8 .- Noon. - Somhesitation was noticeable at the opening of the market today, owing to a feeling of disappointment that n announcement had been made that Mr Shaw would come to the relief of the situation in money. However, the feeling was short lived and the general list quickly became strong with copper the most active feature. Buying o this stock has been again of the mos confident character, and a large portion of it seems to originate with those who are affiliated with inside interests London was a moderate buyer and cables from Europe stated that sentiment there was decidedly cheerful and served the lodge for 40 and 20 years re- that money in London was in better supply than for some time.
