## PRINCES CONSPIRE DOUMA ORATOR AGAINST THE CZAR

Ruler's Half Brother a Leader Refers to Drumhead Court as Among the Plotters Who Find Haven in London.

London: Dec. 1. - Prominent among overturn his government is Prince against Russian despotism in these days, is, in itself, nothing remarkable. ret warfare against the Czar is both is his half-brother.

That such is the relationship between them is well known in the inner circles of Russian revolutionaries, alfore found its way into print. The to the speaker's tribune, the words though no mention of it has ever betionship, but it does not diminish one most painful incident of his career as jot his devotion to the cause which premier. He turned deathly white, aims at the abolition of czardom alto-

His mother held a high position in the court of the late Czar Alexander III. His reputed father was a wealthy he left the chamber without uttering a land owner, who was at one time connected with the Russian ministry of ily. Among his associates now are minister of justice, and Prince Vas- solicitors. men who were deep in the plot which siliekoff to act as his seconds. All In addition to Sir Arthur's masterful perhaps, if other methods fail.

Became Disciple of Tolstoi.

The prince is wealthy. He might have become far wealthier had he not early been inoculated with the revolutionary virus. He was trained for the kinsfolk on the paternal side, had he away bodily by his supporters to a not fallen under the peril of Tolstoi's corner of the hall. genius. That made despotism in any The party leaders then entered into form-even when personified by his a long conversation, and it was made he came to England and established a opened. M.
