Two weeks ago the men employed by the Raritan River Clay Company went on strike for higher wages. Then each succeeding day the strikers, constantly increased in number, marched to other towns to induce employees to F. J. Harding, dated June 6, 1905,

MAGISTRATE AND SCHOOL COM-MISSIONER HEALED BY ZAM-BUK.

Zam-Buk, by its healing power, has earned the praise of men and women in the highest stations of life. One of the latest prominent gentlemen to speak highly in Zam-Buk's favor is Mr. C. E. Sanford, of Weston, King's County, N. S. Mr. Weston is a justice of the peace for the county and a member of the board of school commissioners. He is also deacon of the Baptist Church in Berwick. Indeed, throughout the county it would be difficult to find a man more widely known and more highly respected.

Some time back he had occasion to test Zam-Buk, and here is his opinion of this great balm. He says: "I had a patch of eczema on my ankle, which had been there for over twenty years! Sometimes also the disease would break out on my shoulders. I had taken solution of arsenic had applied various ointments, and tried all sorts of things to obtain a cure, but in vain. Zam-Buk, unlike all else I tried, proved highly satisfactory, and cured the ailment.

"I have also used Zam-Buk for itching piles, and it has cured them of the prices, witness would swear. completely also. I take comfort in helping my brother man, and if the publication of my experience of Zam-Buk will lead other sufferers to try 1t, I should be glad. For the cure of piles or skin diseases, I know nothing to equal Zam-Buk."

Zam-Buk also cures burns, cuts, wicers, blood poisoning, ringworm, scalp sores, chapped hands, cold sores, and all skin injuries and diseases. Rubbed well on to the chest in cases of cold it relieves the tightness and aching. All druggists and stores sell at 50c box, or post free from Zam-Buk Company, Toronto, for price. 3 boxes for \$1.25.

A Bit of History.

Every industry has its pioneer days, and t is during these struggling times that its worth and merit are tested. The early history of Chamberlain's Cough Remedy shows that, except in point of merit, it had no more hope of success than other similar preparations, which were started at about the same time, but were never known outside of their own locality, and have long since ceased to be manufactured. Step by step each successive year, as its superior excellence becomes more widely known, it has been gradually gaining in favor. Taken first, perhaps, on was the second attempt.
