

FINANCIAL AND COMMERCIAL

FEW TURKEYS OFFERED TODAY

Prices Ranged From 23c to 24c a Pound on the Local Market.

DRESSED HOGS AT \$9.50

Geese Sold at 15 and 16 Cents a Pound—Twenty-Two Loads of Hay Offered.

This morning's market was not very large, probably owing to the country roads being very heavy. There were 22 loads of hay in, and the demand for this species of poultry was fairly brisk. The price of turkeys is still unchanged. They were selling at 23c and 24c per lb. this morning, and the demand was dull.

Geese are rather high in price, sales being made at 15c and 16c per lb. Chickens are fairly plentiful, but the demand is not brisk.

Dressed hogs are at \$9.50 per cwt., although the supply was very small. The demand is good at present for this kind of pork, and Saturday's market should see a much larger supply.

Butter and eggs prices are unchanged. Fresh eggs are selling at prices ranging from 23c to 24c per dozen, and although the demand is good at these prices, the supply is very small.
