Persons leaving town for the season, and summer travellers, can have The Dally World mailed to them, postpaid, for twenty-five cents a month, the address being legislature and as a member of the longer of commons. It is a large subject. and as the World cannot afford to treat

Posimaster-General James will most likely in lize his term by giving the United States a two cent postage. He has now got the expenses of the post-office down to the level of the receipts, and he will soon feel strong enough to reduce the figure of the level of the receipts, and he will soon feel strong enough to reduce the figure of the level of the receipts, and he will soon feel strong enough to reduce the figure of the level of the receipts, and he will soon feel strong enough to reduce the figure of the level of the receipts, and he will soon feel strong enough to reduce the figure of the level of the receipts, and he will soon feel strong enough to reduce the figure of the level of the receipts, and he will soon feel strong enough to reduce the figure of the level of the receipts, and he will soon feel strong enough to reduce the figure of the level of the receipts, and he will soon feel strong enough to reduce the figure of the level of the receipts, and he will soon feel strong enough to reduce the figure of the level of the receipts, and he will soon to the level of the receipts, and he will soon to the level of the receipts, and he will soon to the level of the receipts, and he will soon to the level of the receipts, and he will soon to the level of the receipts, and he will soon to the level of the receipts and as the World cannot afford to treat itself to three-column articles it will deal with the arters one at a time.

As a member of the legislature the Ga"I because the door. "No, he is not."

"I guess he has gone fishing."

I guess he has gone fishing. The leader is the leader in the leader is the door. "I because the same more." feel strong enough to reduce the figure of ship; (2) because he made use of the Scott

by death and their offices filled by vice. the government. The answers can be very presidents : William Henry Harrison, elect. | briefly stated. ed president in 1840, died one month after his inauguration, and John Tyler succeeded; a change in the leadership upon his friends in 1850 President Taylor died sixteen in the house-taking the ground that as months after his inauguration, and Millard Mr. Blake was the ablest man in the party Filmore became chief magistrate; in 1865 he ought to lead it—and at the caucus call-Andrew Johnson succeeded to the office on ed at his own request he moved the apthe assassination of Lincoln. According pointment of Mr. Blake as leader. to the New York Tribune, every one of these vice-presidents proved recreant to his of the Scott murder simply stated that the trust, and reversed the policy of his chief. victim was a citizen of this province, that

MR. EDWARD FARRER, well known to the queen, that the crime had impressed Canadian journalism, and now of the World, the house with a deep feeling of sorrow and New York, will have an article in one of indignation, and that in the opinion of the New York, will have an article in one of the forthcoming leading American magazines on Lower Canada. It will be a brief sketch of the component almost a fall when the perpetrators of this great crime. sketch of the component elements of the We ask the Gazette to point out what was population, their language, superstitions, wrong in that resolution. Does it contain religion, folk lore, etc. Mr. Farrer thinks a single sentiment of which the Gazette disthe French Canadians have never had a fair approves? The legislature approved of it show, and he says he is doing his best to give them one. Mr. Farrer ought to be competent for the task. The illustrations are the only thing that causes delay in the publication of the sketch.

The legislature approved of it the following session by a vote of 62 to 1.

3. Mr. Blake's scheme for settling the municipal loan fund debt and for granting aid to railways was carried out in its entirety by the Liberal government and the contract of the sketch.

A girl in London the other day took a fatal dose of carbolic acid because she was not permitted to wear a pair of boots and a hat she are the only thing that causes delay in the publication of the sketch.

A prominent lumberman in Burlington has had his coat-of-arms painted on the

papers, Canadian or English, who may accompany the governor general to the Northwest. The country will have enough to do in footing the vicerogal bills. Pat we fail in footing the viceregal bill. But we fail to see justice in the country paying for English correspondents who, however, go as "personal friends" of his lordship, while Canadian journals will have to content themselves with reports supplied by a proposed of the country to do the country to do the country paying for the country paying for the country paying for which he asked for and got; Mr. Blake, said, "I deny the charge entirely—it is "abselutely false;" Mr. Wood said, "It is "false in all particulars—there is not one themselves with reports supplied by a "word of truth in it;" and the committee of enquiry with false in the country paying for the country member of the staff. By all means, if Canadian journals think it worth while to send a man, let them send him and pay the send a man, let them send him and pay the bill themselves, as they do on other occasions. There is mighty little cap in hand business about Canadian journalism. If the World wants a report of the trip it will send its "jown" in his own canoe, and ask favors of no one.

In all these matters there was nothing in the conduct of Mr. Blake deserving of censure; there was nothing which will not bear the full light of day.

Water Pudding.—1 lb. butter boiled in 1/2 pint water, with sugar and lemon peel to taste; when a little cool, mix in 1/4 lb. flour and 3 eggs; beat the yolks and whites apart. Butter your cups and bake a nice brown. When turned out, put a little jam on the top of each.

sight in the northern sky was first seen in South Africa towards the end of May. On the 9th of June the the end of May. On the 9th of June the thresh and the church, has not accomplished all that its friends hoped or that its opponents feared.

Twenty years ago all the churches were tute at France, of which he is a member, the elements of the comet's orbit as observed at Rio Janeiro, and from these Mr. J. R. Hind, of the Nautical Almanac office, made a calculation showing that it would be visible in England in the constellation.

Twenty years ago all the churches were united in support of the voluntary system, but in 1870 the Episcopalians, Roman Catholics and Wesleyans alone continued to regard it with undivided favor. The other supports their preference for the national or school board system, under the proposed in the constellation. be visible in England in the constellation Auriga on the morning of the 2nd June, or certainly on the following morning, that its elevation above the horizon would in the Canadian system. But Englishmen do crease daily, and that in the course of a week | not take readily to it, for while the average its intensity would have diminished one- attendance of pupils at the established third. The comet was seen here on the church schools is 1,471,000, the average at morning of the 23rd, which shows how accurately the observation at Rio Janeiro and 769,000. This result afforded great gratifithe calculation of Mr. Hind were made. A Boy Killed by his Teacher. Mr. W. J. Greenwood, who is known to nany of our readers, accidentally killed on of his scholars a few days ago. As he was playing with the children during intermission at putting the stone, one of the boys came in the way just as the stone left his hand. The little fellow was struck on the side of the head and fell lifeless on the spot.

Oliver Wendell's Vision A Holms-Sun Yakn.
The Comet! He is on his way,
And singing as he flies;
The whizzing planets shrink before
The spectre of the skies;
Ah! well may regal drbs burn blue,
\* And satellites turn pale—
Ten million cubic miles of head,
Ten billion leagues of tail! A HOLMES-SPUN YARN.

On, on by whistling spheres of light
He flashes and he flames;
He turns not to the left nor right,
He asks them not their names;
One spurn from his demoniac heel—
Away, away they fly,
Where darkness might be bottled up
And sold for "Tyrian dye."

And what would happen to the land,
And how would look the sea;
If in the bearded demon's path
Our earth shou'd chance to be?
Full hot and high the sea would boil,
Full red the forests gleam;
Methought I saw and heard it ali
In a dyspeptic dream!

Strange sights! strange sounds! O fearful drean Its memory haunts me still; he steaming sea, the crimson glare, That wreathed each wooded hill; Stranger! If through thy recling brain Such midnight visions sweep, Spare! Spare! O, spare thine evening meal, And sweet shall be thy sleep!
