CADDER... THE DOG... (Continued)... But what was I to do, when the animal refused to work at all, unless I would pat him and feed him with my hand?... Then Robert used to be very angry because he never got his Spectator in the proper time, and when he did get it, it looked as if it had been worried - but I can say you took it very well. It, indeed, would look on the face of it as if he knew it!

purely Vegetable Compound, and acts promptly and magically in subduing all coughs, colds, bronchitis, inflammation of the lungs, etc. It is so palatable that a child will not refuse it, and is put at a price that will not exclude the poor from its benefits.
