They Must Live Somewhere.

The Assessment Returns show that Toronto has increased in population for the three years prior to 1887 at the rate of (10,000) TEN THOUSAND SOULS per annum, and the increase for 1887 was over (12,000) TWELVE THOUSAND SOULS. Just think of it, in less than eight years TORONTO WILL HAVE A POPULATION OF OVER A QUARTER OF A MILLION, and they must live somewhere, and

CHESTER

Is the place where most of them will live, for it is prettier, healthier, nearer and cheaper than any other place outside the City limits and a large number of places inside the City limits, THE BEST VALUE to be had anywhere in or about Toronto which is the QUEEN CITY OF CANADA.

Lots 60 feet frontage by 150 feet deep, \$6, \$7, \$8 and \$9 per foot, according to location; \$2 per foot cash, and the balance to remain on mortgage for 3 or 5 years at five per cent interest.

I believe that this property will increase in value at least 20 per cent. before the first of May. I would keep it myself only I have

BIT OFF MORE THAN I CAN CHEW

And I am compelled to sell in order to pay my debts; but to show my faith by my works I hereby offer to refund purchase money at one month's notice to any purchaser who may become dissatisfied with his bargain.

EDISON INCANDESCENT ELECTRIC LIGHT

What Users Say Regarding It.

Mr. RICHARD WHITE of The Gazette Printing Company of Montreal states: "Light has been running for over six months without interruption; all entirely satisfactory; all your statements are verified."
Mr. ANGLUS GRANT of The Great Northwest Telegraph Company of Montreal states: "I am very much pleased with your incandescent electric lights. They are giving general satisfaction to all our staff, who prefer them to any other light. Clean, safe and brilliant."
Mr. G. R. HALL of Messrs. The Nelson & Co., Three Rivers, P.Q., states: "I am much pleased with the light, and as far as I have seen, prefer it to the arc light."
The Secretary-Treasurer of The Globe Printing Co., Toronto, states: "The light gives perfect satisfaction. I do not think I could have been willing to go back to gas even if they obtained it free of charge. I know I would not."
The Montreal Cotton Co., Limited, states: "The Edison plant has given us the best of everything. We have thousands of lamps during the past three years have paid for 1900 lamps to replace their burned-out ones at an average of 650 yearly. The cost for labor to run the lamps is not high because the men who attend to the wheels and shading attends to them."
The Chief Engineer of the Canadian Pacific Railway Company's steamers states the cost of Edison lamps is less than that of gas or coal oil lamps.
A candle power lamp in the Globe Office, Toronto, gave a life of 228 hours and 18 candle power lamp in The Montreal Post gave a life of over 700 hours.
