A NOVEL PRIZE-FIGHT OCCURS AT TONAWANDA.

In Which Referee and Seconds Take a Hand—Winners and Entries at Gloucester Park—Local Turf News—The Amateur Athletic Union Meets—General Sports.

The Sydney Telegraph contained interviews with Kemp and Spencer, McLean's backer, after the recent big race on the Paramatta.

"I reckon I won the race as fair as any race was ever won in the world," said Kemp last night in reply to a question from our representative. "The referee must have had his eyes shut," added the defeated champion; "from this out all races had better be rowed without rules."

"Why so?"—"Why so? Because McLean had no right on that side of the river at all."

"You mean, of course, the side he was on when the foul occurred?"—"Yes."

"There was a foul, then?"—"Yes, certainly, and McLean was to blame."

"But even if the foul had not happened, McLean would have won, would he not? You evidently rowed to win after the mile and he beat you?"—"No, I put on the spurt just to show what I could do if I liked, but I certainly did not pull to win. I thought the foul had decided the race. Jack Blackman shall never umpire another race in which I'm concerned. Why, I can beat McLean at any time. No; I don't consider the result of to-day's race places him in the rank of first-class scullers."

"Now, with reference to your proposed race with O'Connor, do you still intend to go to America?"—"No, I'll forfeit my £100."

"And Stanbury. Is it likely he will go?"—"No."

"Of course you will row McLean again?"—"Probably, but I can't say yet. Stanbury may meet him first."

"You don't want to make any other statement?"—"No."

Mr. John Spencer, speaking last night relative to McLean's future movements, said: "He will rest a while now."

"Yes, and then go to America to meet O'Connor?"—"No, at least not at present. What he will do by and bye is not yet settled."

"Kemp is not at all satisfied with the result of to-day's race. Will McLean row him again?"—"Yes; McLean will row either Kemp or Stanbury for £500 aside any time after next April. Family matters will engage his attention till then and no matches will be made in the meantime with anyone."

"You are content with the victory?"—"Quite, and confident he could beat Kemp again. But to give the latter credit he pulled a fine race, the best ever seen on the river."

John Teemer's Scheme.

In a recent letter to William Nickerson of Boston, Mass., Oarsman John Teemer offers a valuable suggestion to crack scullers in the United States which will be well worth heeding, says The N.Y. Press. Teemer says that a couple of Australia's best oarsmen will pay a visit to this country in search of easy game about July next. His idea, in the vernacular of the oarsmen, is to disappoint the comers by giving them plenty of "backwash." To do this, he argues, it will be necessary to learn who is the best American oarsman.

The problem, he says, can be readily solved by arranging a match between O'Connor, Gaudaur and himself for a suitable purse, the winner to meet all foreign scullers. He says he is willing to post $500, providing the others will do likewise. He adds that he would like to see Hanlan enter with Gaudaur and O'Connor.

Charles H. Thayer has announced that if the two men Teemer mentions will each post $500 with the understanding that they are to row at the Point of Pines on May 30, he will hang up a purse of $1000, making $2500 in all, or $3000 if Hanlan enters. As to whether the winner shall take all or divide first and second money Teemer states that can be mutually agreed upon later.

THE TANKARD FINALS.

The Great Curling Contest Begins Here To-morrow—The Draws.

The finals for the Ontario Tankard begin to-morrow morning in this city. The four large rinks will be occupied for the first draw. As there are 16 champions from the different groups and the contests are two-rink ones 16 sheets of ice will be required for the eight preliminary games. Four events will take place in Victoria Rink, six at the Granite, four at Prospect Park and two at the Caledonian. The four matches in the afternoon will be played at Victoria and Granite. The two semi-finals will take place at the Victoria Rink Thursday morning, if the Granites still remain, and the grand final in the afternoon. The draws take place this evening at 9.30 at Mr. Russell's office. It is just possible that a lack of ice will cause a postponement of the event.

Another Yonkers Victory.

A rink contest took place yesterday between Yonkers and Toronto curlers, giving the Americans a victory as follows:

YONKERS.	TORONTO.
J. Stewart.	A. Robertson.
R. Ellin.	T. McCraken.
J. Kellock.	J. Wright.
R. Kellock, skip......15	J. S. Russell, skip....14

Majority for Yonkers, 1 shot.

Sale of Trotting Stock.

BUFFALO, Feb. 16.—The biggest sale of trotting horseflesh ever recorded took place to-day in this city, whereby General Rufus L. Howard sold the entire stock of his farm, including the celebrated stallion Wilkie Collins, by George Wilkes (2.22), valued at $25,000, and 90 other good mares, stallions and youngsters, to W. J. White, Cleveland millionaire, for $60,500.

Gossip from the Track.

A bet of $1000 to $25 was made here yesterday that Connemara would not win the Woodstock Plate.

Mr. G. B. Hall's b c Connemara will arrive in Toronto to-day from Guelph and will be trained by Charlie Wise at Woodbine.

Mr. Joseph Seagram's string will reach the city early next month. The Waterloo turfman has abandoned the idea of going to Washington in the spring.

Graver avails himself of every opportunity to give Messrs. Duggan & Co.'s thoroughbreds a run at Woodbine these days.

Governor Roberts, Milligan, Telephone, Middlestone, Long Jack, Battle Cry at Dundee and Orton, Glenmound, Latina, Sunday, Insight, Guarantee at Guttenberg were winners yesterday.

Development.

Too much attention cannot be given to the development of the body and chest, as it is essential to perfect health and gives a man a commanding appearance. For this purpose is devised the Narragansett Chest Exerciser, a machine that comprises in a very small compass a complete gymnasium apparatus, designed to afford perfect exercise, at the same time considerable recreation.

These can be had for $5 upwards of Messrs. H. P. Davies & Co., 81 Yonge-street.

A CRY FOR HARMONY

Between the L.A.W. and Canadian Wheelmen—The League Membership.

WASHINGTON, Feb. 16.—The National Assembly of the Board of Officers of the League of American Wheelmen was held here to-day. Secretary Bassett's report showed the present membership to be 18,113, an increase of 5710. There are 441 ladies on the list. The Membership Committee reported 14 cases of doubtful membership had been considered with the expulsions and stated that petty jealousies in the ranks of the league led to many useless protests. The president, Mr. Dunn, in his annual report, recommends that steps be taken to secure a more complete harmony between the L.A.W. and Canadian wheelmen.

President Dunn was re-elected. W. S. Brewster of St. Louis was chosen treasurer. The secretary holds over. The next assembly will be held in February, 1892.

A Sunday Morning Scrap.

BUFFALO, Feb. 16.—On Sunday morning there occurred in Tonawanda a short, sharp and vicious prize-fight between C. Connors of Quebec and Ed Haley of Buffalo for a purse of $200. S. Ryan of Quebec was referee and the fight began shortly after midnight.

Haley in the first round got in a swinging right hander which knocked Connors to earth and nearly knocked him out. The same result was obtained in the third round and Connors was taking the defensive. This continued till the fifth round when Haley rushed and caught Connors squarely on the neck. The Canadian went down like a log.

The referee cried out that the fight was a draw. Haley evidently thought he had won. As he heard the referee call a draw he rushed at him and promptly knocked him down. There was a general uproar, during which one of Connors' seconds struck the Buffalo man in the face. Haley turned upon his assailant and with one punch sent him to sleep. After two minutes Haley inquired if there was any more willing to come on. Nobody responded to his appeal. The referee refused to give Haley the money and the latter offered to fight anybody in the room for it, without finding a taker.

LACROSSISTS EXONERATED.

The Amateur Athletic Union Find That They Wanted to Boom the Game.

BOSTON, Feb. 16.—A meeting of the Board of the Amateur Athletic Union was held here Saturday. The disqualified lacrosse players, including the Montreal Club men, who offended the austere A.A.U. by playing at the recent Madison-square Garden tournament were, with the exception of the Druids, reinstated because they sent in a satisfactory explanation of their action, to the effect that they merely played in the tournament to boom the game and were ignorant of any possible violation of the rules. The Druids will probably explain their case in short order.

The matter of the indoor championship meeting came up for a long consideration. The eyes of the managers seem to have been turned toward Buffalo, and they have appointed E. C. Carter to look over the ground and see what the Buffalo Athletic Club is willing to do toward managing the affair.

Some Lacrosse Amendments.

A number of amendments are advisable to the constitution and rules of the Canadian Lacrosse Association. Secretary O'Loughlin of St. Catharines has sent requests to various members of the leading clubs and to each of the district secretaries that they forward to him by March 1 notice of such changes as they think advisable. The same request is extended to the officers and members of every club in the association. A new revised book of the rules and regulations will be published this year. When all the amendments have been received a committee appointed by the president will revise and arrange them in the most convenient form to be submitted to the convention to be held in Toronto on Tuesday, April 21 next.

Fred. Mossop's Hostelry.

There has been a marked change at "Head quarters" since Mr. Fred Mossop took hold of the ribbons. The entire establishment has been redecorated and finished in handsome oiled woods, with plate-glass electric-reflecting mirror bars, which are without a doubt the most brilliant in Canada. The best brands of liquors and cigars are always kept in stock. F. W. Mossop, proprietor. 246

SPORTING ITEMS.

Will the American Association Jump?—A Bankrupt Baseball Club.

Beerman Brothers recently took 17 American trotters to Germany.

Powers, Lynch, McQuade and Hurst will constitute the league umpire staff.

Three rinks of Toronto curlers were beaten at Hamilton Saturday, by 39 to 43.

J. R. Wells' English setter bitch, Daisy Lavarack, whelped a litter of eight on Saturday.

Denny Donaghue, the clever Hamilton sculler is after the scalp of E. D. Rodgers of Worcester.

Pat Powers will probably manage the Cincinnati team.—N.Y. News. Where will Patsy be signed next?

Vickery and Schriver have consented to the transfer to Milwaukee and have signed with that club.

The final Bankers' Hockey League championship game between Dominion and Imperial takes place in Mutual-street next Saturday.

An effort is being made in several of the Western States to pass laws making the practice of what is known as "ringing" a penal offence.

Hamilton sports lost quite a boodle on a cocking main with Rochester men Sunday morning near Buffalo. The wager was $200 and $50 on each battle. Rochester won 4 out of 7. The Spectator says that between $1200 and $1500 was lost on the result.

The Louisville Baseball Club will be sold within ten days to satisfy a judgment for $5000. At an informal meeting of the stockholders Saturday night it was decided by the men who were in control last year to buy the team at any cost and to strengthen it. This will prevent the franchise going to Milwaukee.

The Herald Handicap, to be run at Guttenburg to-morrow, will be the first 3-year-old event of the year of any importance. Woodcutter is top weight at 120 pounds and Clara Porter with 92 is at the foot of the list; Appomattox, 111; Beeton, 110; Zenobia, 110; Bertha Campbell, 105; and Orton, 103, appear to be the pick of the handicap. The race will be a dash of six and a half furlongs, with $1000 added.

The New York World says that the American Association intends to "jump" the National agreement, relegate President Thurman to the seclusion that Columbus, O., grants, and sign any first class ball-player that it can get. The club owners are incensed beyond measure at what they term the duplicity of President Thurman in voting with the National League's member of the National Board against returning Bierbauer and Stovey to the Athletics, and they are now busily engaged in preparing for aggressive warfare.

NOTES FROM THE LEGAL COURTS.

Empire Libel—Ottawa Mayorship—Central Bank Writ for $30,000.

The master in chambers yesterday gave judgment in the alimony suit of Zybach v Zybach, on the motion for particulars, ordering the defendant to give particulars of the charges of improper conduct alleged in the statement of defence against plaintiff.

Judgment was also given in the libel action of F. H. Sangster against The Empire, dismissing with costs the motion for security for costs. This is the action in which the plaintiff, a barrister of Stouffville, sues The Empire for $10,000 damages for the publication of what he alleges was a false report of proceedings before a magistrate, in which he was charged with fraud but the charge dismissed.

The final motion in the quo warranto proceedings instituted some time ago, against the Mayor of Ottawa, was made before the master in chambers yesterday, when he was asked to unseat Thomas Birkett, hardware merchant, from the position of Mayor of the City of Ottawa, and for a new election. The ground alleged why Mr. Birkett should be unseated is that at the time of the election he had an interest in a contract for the supply of hardware to the city. The argument of the case occupied most of the day, and judgment was reserved.

Mr. Justice Meredith had his first day at chamber work yesterday. Monday of last week he heard a few motions till Chancellor Boyd was through with a case which was to have been tried before him, the Chancellor then taking chambers. Mr. Justice Meredith was at the time of his appointment one of the best chancery practitioners at the bar. A motion was made to discharge a writ of capias issued about a year ago for the arrest of W. F. Ross, a Toronto jeweler. The order was made at the instance of Schwab Bros. of Montreal. Ross was admitted to bail on furnishing the required security and now asks to discharge the order. Judgment was reserved.

The Central Bank have issued a writ against J. H. Samo, claiming $30,000, the amount of promissory notes.

The master in chambers made an order in the libel action of Simpson v Hall & Co. yesterday, shortening the time for appearance and defence by defendants, residing in New York. Full particulars of this action were published a short time ago.

The Chancery Divisional Court sits on Thursday next. There is a good-sized list of cases for argument. The appeal in several of the St. George cases is set down for hearing, but it is said that an adjournment will be asked because of the political engagements of counsel on both sides.

A Natural Filter.

The liver acts as a filter to remove impurities from the blood. To keep it in perfect working order use B.B.B., the great liver regulator.

I used two bottles of Burdock Blood Bitters for liver complaint and can clearly say I am a well woman to-day. MRS. C. P. WILEY, Upper Otnabog, N.B.

Young Bachelors En Fete.

The social event of the season across the Don took place last night. It was the Young Bachelors' Club "At Home" in Danforth-avenue Hall. The hall was prettily decorated with flags and evergreens and three shields bearing the letters Y.B.C. in monogram. This committee is to be credited with the success of the entertainment: P. A. Macdonald, J.A. Findlay, D. J. Taylor, A.H. Selway, A. R. J. Sullens, hon. secretary. Dancing to the music of Glionna's Band was indulged in by the 150 couples present till early morning. There were 26 dances on the program exclusive of extras.

Holloway's Corn Cure destroys all kinds of corns and warts, root and branch. Who then would endure them with such a cheap and effectual remedy within reach?

TO RECLAIM THE BAY.

Negotiations with the Property-Owners—The Plans and Conditions.

The special committee of the City Council in the matter of Ashbridge's Bay met to organize yesterday. Ald. Hewitt was appointed chairman. Present besides: Ald. Score, Lindsey, Hall, Burns, Pape, Macdonald, Allen, Jolliffe, Small, Shaw, Leslie and Bell, with Assistant City Clerk Littlejohn as secretary. Messrs. Beavis & Redway, Captain Hood and ex-Ald. Mitchell and Ald. Gibbs watched the proceedings. On motion of Ald. Small the City Solicitor's presence was requested in order to see what interest the city had in the bay and marsh lands.

Assistant City Solicitor Caswell answered the summons and presented the patent under which the city holds the property from the province.

Ald. Hewitt, Hall, Leslie, Lindsey and Small were appointed a sub-committee to interview the property-owners and get from them an undertaking to forego all possible claims for damages, also to secure all possible information relative to the reclamation scheme and lastly to report as to whether the greatest of rental per annum or the completion of the work in the shortest possible time and under the shortest lease be the most favorable to the city in the deal.

The City Engineer and City Solicitor were instructed to furnish a draft of the plans and conditions under which the work is to be done. Ald. Leslie and Hewitt were also detailed to interview the Harbor Commissioners and procure their consent to the progress of the scheme.

NO REDUCTION IN WATER RATES.

The Waterworks Committee Prefers Engineer Brough for the Simcoe Survey.

The Waterworks Committee held another special meeting yesterday to consider the reduction of the water rates. It was stated by the City Solicitor that the city had not the right to assess the cost of water mains in the shape of a frontage tax. Ald. Gowanlock moved that legislation be asked to give the city the necessary power. Ald. Leslie moved, in amendment, that the capital account of the department be sunk in the general taxes. The committee, after a hot argument, resolved, in view of the defeat of the bylaws and the financial embarrassments of the department, to allow matters remain as they are. This means that there is no further reduction in the rate in prospect.

The Mayor expressed surprise that Engineer Brough had been intrusted with the work of surveying Lake Simcoe. He thought that the City Engineer should have got the job. The committee, however, could not see it in that light. "Mr. Brough," said Chairman Hill, "is our engineer, and we do not propose to go outside of the department. When the preliminary surveys are made it is probable that the result will be laid before Mr. Jennings as consulting engineer of the department."

IN MEMORIAM JOHN MACPHERSON.

Sudden Death of the Ex-Deputy-Chief of Toronto's Police Force.

Ex-Deputy Chief John Macpherson reached the end of a long and useful life on Sunday evening at 11. His death took place at his late residence, 204 Seaton-street, and was quite unexpected. On Saturday Mr. Macpherson was apparently in the best of health, taking his customary walk and eating heartily. On Sunday he partook of a good dinner as usual, and on going out between 5 and 6 to look after his pet dogs he was suddenly seized with a fainting fit and required assistance to reach the house. Later he became unconscious and died at the hour named. He was in his 69th year.

Mr. Macpherson, as his name implies, hailed from Scotland. From his birthplace in the Isle of Skye he went to Edinburgh, where he was a member of the police force. Coming to Canada about 35 years ago he settled here and joined the force. He served with much efficiency as clerk of the force and senior sergeant-major until the office of deputy-chief was created. This position he received and held till 1884, when he laid aside the burden of active life. In his unofficial life the deceased was very popular. He was esteemed as a man of high character and genuine piety. In Scottish affairs he took a deep interest. For a time he was secretary of the old Gaelic Society, and up to his death a frequent writer of Gaelic articles for The Mail.

Mr. Macpherson will be sorely missed, not only by his widow and a large family who survive him, but by many fellow-countrymen of his years as one of the best and truest of the elderly sons of Scotia.

The funeral will be to-morrow afternoon at 3 o'clock from 204 Seaton-street, to the Necropolis.

ZEALOUS IN A GOOD CAUSE.

Should the Congregational College be in Toronto?—Notable Mems.

In Dr. Wild's Church last night the monthly meeting of the Congregational Association of the city was held. The weather and politics interfered somewhat with the attendance. President Copp was in the chair. Mr. Cushing of Montreal Congregational College appealed for subscriptions. Montreal had subscribed $30,000 to the endowment fund and Toronto only $300. Mr. Henry O'Hara thought the college ought to be in Toronto. He hoped, however, it would be supported. A deputation consisting of Rev. A.L. MacFadyen, Messrs. Millichamp and Causey from the West Toronto Junction Congregationalists asked for aid. The matter was left to a committee—Messrs. Copp, Freeland, Potts and St. Croix. Mr. Cushing was elected an honorary member of the association. Mr. St. Croix was given Ald. Phillips' place on the executive committee. The latter could not spare time to fulfil the duties. On motion of Rev. G.H. Sandwell it was decided to make the next meeting of the association social in character.

Live Long and Live Happy.

Statistics prove that wealth does not necessarily favor long life. In Prof. Humphreys' "Report on aged persons," containing an account of 824 individuals of both sexes and between the ages of 80 and 100, it is stated that 48 per cent. were poor, 42 per cent. were in comfortable circumstances and only 10 per cent. were described as being in affluent circumstances. High and sumptuous living, a lack of proper exercise and being continually in the hands of the doctor will account in a large measure for the small percentage who reach old age. The poorer class, and those in moderate and comfortable circumstances, when any of the symptoms of disease show up, as a rule use that great and infallible remedy, Paine's Celery Compound, which is nature's true restorer.

The nervous, used-up, brain-tired mortal is braced up and strengthened for life's battles.

The sleepless, wakeful, irritable, morose, despondent and morbid victim secures sleep, rest, peace of mind, joyousness and vivacity of spirits and is therefore enabled to enjoy life and long years. Ample proof is on record of the fact that men and women of from 80 to 90 are living to-day through the agency and power of Paine's Celery Compound.

Dark and Sluggish.

Dark and sluggish describes the condition of bad blood. Healthy blood is ruddy and bright. To cure bad blood and its consequences and to secure good blood and its benefits in the safest, surest and best way use Burdock Blood Bitters, strongly recommended by all who use it as the best blood purifier.

Philo Lamb's License.

The committee in charge of the opposition to the transfer of Philo Lamb's tavern license has had a long interview with the License Department of the Ontario Government, the main point being whether a person who had signed a petition could demand his name to be taken off such petition if he so desired. It appeared there was no such legal right and that the commissioners in granting the transfer had not committed an offence which could be taken before the courts and upset. After the elections are over another meeting will be called to consider the entire removal of all taverns and liquor shops from the interior of the ward.

Napoleon's Head.

Napoleon's head was of a peculiar shape, but that did not protect him against headache. Sick headache is a common and very disagreeable affection which may be quickly removed, together with its cause, by the use of Burdock Blood Bitters, the never-failing medicine for all kinds of headaches.

Police Jottings.

The police patrol system has been extended to the City Hall.

John Milligan, 99 Jarvis-street, is under arrest, charged with complicity in the Minnie McKenna outrage case.

Detective Davis leaves for London this morning to bring back Daniel Cartin, horse trainer, wanted here for the alleged larceny of cigars.

Charles Carr, 8 Clifford-street, was caught last night climbing through a window of the De la Salle Institute and is being held for further inquires.
