visitors certainly have kept down ponents' scores. A game ending in 0 to 1 is by no means a common occurrence here. Hearts of Midlothian beat Clyde here Saturday by 10 to 3. In the English League Darwen beat Stoke 9 to 3 on the same date. The Hearts are playing great football and arally the case.

cranks that this latter club has never been beaten on its own ground? Experts here admit that to play at home is at least worth two goals. On a Saturday last month Accrington beat Darwen at Accrington 5 to 2, and on the following Saturday Darwen beat Accrington at Darwen 5 to 2. These are about equally matched League clubs. It is a general rule that the home club almost invariably wins. ably wins.
All this goes to show that the '88 team had a wonderful record in winning half of its matches, and that this combination has not done so bad after all, whether Scotchmen, Englishmen, Yankees or Canadians are

Ibrox Park, Glasgow. The weather was favorable and there were 4000 spectators. The new men from Canada made their first appearance with the Colonials. Canada lost the toss and in a few minutes obtained a corner, which was abortive. Scotland also got a corner, which also came to nothing. Scotland then had for a time the best of the game, but were unable to beat Garrett. After 20 minutes' play the Scotch goal had'a narrow escape, McLeod saving at the expense of a corner. The ball was got out of danger. The visitors had a long turn of defensive play, but the Scotch could not score until 35 minutes, when Hamilton, with a low shot, beat Garrett for the first time, and had a second disallowed for of side. Half-time score: Scotland, one goal; Canada, nil. After four minutes of the second half had passed

The veteran looks as spry as a youth in his teens, notwithstanding his 56 summers, in this year he has played in 50 matches of all kinds with an average of 51 runs per innings. Mr. Daft informed me that in all probability the would tring a team of Notts County men to Canada and the United States in '92. He was very anxious to learn if sufficient interest was taken across the water to warrant such a trip paying expenses. If such were the case his eleven would be seen in Philadelphia, New York, Boston, Chicago, Montreal and Toronto next summer, Mr. Daft will investigate how Lord Hawke's recent venture succeeds, when he will make his final decision. On informing him that a Canadian team of cricketers might visit England next May, he thought they would do well, as they proved quite an attraction on their last venture.
