Horse Infirmary and Veterinary Establishment, Corner of Bay and Temperance Streets Toronto, C. W.

A SMITH, Licentiate of the Edinburgh Veterinary College, and Veterinary Surgeon to the Board of Agriculture of U. C., begs to return his thanks to the Public generally for their support since opening the above mentioned establishment, and respectfully solicits a continuance the same.

And also begs to announce that Veterinary Medicines of every description are constantly on hand:—Such as, Physic, Diuretic Cough Cordial, Tonic Condition, and Water Balls and Powders. The constituents composing the Cough-balls, have been found (by Professor Dick, of Edinburgh) most serviceable in alleviating many of the symptoms of Broken wind or Heaves in Horses. Colic Draughts, & a mixture which owners of Horses should always have beside them.

Liniments for Sore-throat, Sprain, Calf Spavin, Ringbone.

Blistering Ointments. Liquid and sweet Blisters.

Horses bought and sold on commission.

Toronto, Aug. 30th, 1862.
