## Black-Red Games

EXCLUSIVELY.

I will have a few Stags and Pullets

FOR SALE

After 1st September, at a reasonable price.

I bred this season only from my best yard, and am satisfied I shall have Games that will be hard to beat in the show room, either as to Symmetry, Color or Station.

I am not breeding the BLACK-RED Turkey variety, and would advise parties seeking this class of mongrel game to lose no time in writing me.

My strain of Games are Game in every respect, and at the same time have all the other points so essential for a bird to win honors at a first-class exhibition. Price of fowls on application.

BREEDER OF

## HIGH-CLASS PLYMOUTH ROCKS.

PLYMOUTH ROCK BREAST FEATHER.

Those interested in Poultry, who visited the Toronto Industrial, had an opportunity of judging whether my stock is of the quality claimed. In strong competition I won seven of the nine prizes, all the firsts—1st on cock, 1st and 2nd on hen, 1st on cockerel, 1st and 2nd on pullet, and a diploma for best breeding pen. I do not hesitate to say that my strains are of the highest to be found on this continent. Those who favor me with orders for HIGH-CLASS EGGS will get them for sure, from the stock I won the prizes with at the Industrial, and others of equally high breeding. Eggs from my birds will produce stock difficult to match in this country. My earliest hatched chicks are all gone, but I will have a limited number of nice later ones to dispose of.

I will sell no cull stock, nor any that are disqualified. Parties desiring that kind of stock must look elsewhere, as I intend to remain in the business, and as a rule "Little money buys fowls and eggs of little worth." The price for eggs will be advertised in season. Birds for exhibition purposes a subject of special correspondence, as their value is based upon their merits, and the purpose for which they are intended. Write for particulars.
