

To the Remnant

WHO ARE NOT SUBSCRIBERS.

GREETING:—

Dear and Esteemed Reader,—

This is the second number of "Our Monthly," a magazine of Canadian Literature, Science and Art, (the first number was published last month).

I hear that you are interested in Canadian literature, and that nothing would please you better than to see a good magazine in this country, devoting itself to that cult, and produced entirely by Canadian writers upon Canadian subjects.

You see such a magazine NOW. This is it. OUR MONTHLY.

You are interested.

So am I.

The subscription price is \$1.00 a year, and if you are interested to the extent of One Dollar, cut out the enclosed subscription order and send that amount to me in stamps, P.O.O., cheque, draft, note, I.O.U. or any other obligation, and I will send you for twelve months, post free, OUR MONTHLY.
