**The Best Record Yet.**

During March the churches made the best record in their history, for *Foreign Missions*. The receipts for the month were larger from collections than ever before. Comparing March, 1894, with the corresponding month, 1895, we have the following:

	Mch. 1894.	Mch. 1895.	Gain.
Number of contributing churches.....	971	1454	483
Number of contributing Sunday-schools.....	42	61	19
Number of contributing Endeavor Societies..	49	81	32
Number of individual contributors.....	301	248	loss 53
Amount received, Mch., '94	\$18,110.96		
" " " '95	22,156.95		
Gain.....			4,045.99

The number of new churches that have given, that is, churches that did not give last year, is 645. But of the 1,806 churches that gave last year, 1,097 have not responded this year. Shall we lose as much on the old churches as we gain on the new?

**Health and Happiness**

HOW IT WAS FOUND BY A LANARK COUNTY LADY.

She Had Suffered for Years From Weakness and Pains in the Back—Sciatica Complicated the Trouble and Added to Her Misery—Her Health Almost Miraculously Restored.

From Brockville Recorder.

On a prosperous farm in the township of Montague, Lanark county, lives Mr. and Mrs. Joseph Wood, esteemed by all who know them. Mrs. Wood was born in the village of Merrickville, and spent her whole life there until her marriage, and her many friends are congratulating her on her recovery to health and strength after years of pain and suffering. When the correspondent of the *Recorder* called at the Wood homestead, Mrs. Wood, although now not looking the least like an invalid, said that since girlhood and until recently, she was troubled with a weak back which gave her great pain at times. As she grew older the weakness and pain increased, and for nearly twenty years she was never free from it. About a year ago her misery was increased by an attack of sciatica, and this with her back trouble forced her to take to bed, where she remained a helpless invalid for over

four months. Different doctors attended her and she tried numerous remedies said to be a cure for her trouble, but despite all she continued to grow worse. She was advised to try Dr. Williams' Pink Pills, but she had dosed herself with so many medicines that her faith in the healing virtues of anything was about gone, and she had fully made up her mind that her trouble was incurable. At last a friend urged her so strongly that she consented to give the Pink Pills a trial. Before the first box was all used she felt a slight improvement, which determined her to continue this treatment. From that out she steadily improved, and was soon able to be up and about the house. A further use of the Pink Pills drove away every vestige of the pains which had so long afflicted her, and she found herself again enjoying the blessing of perfect health. Eight months have passed since she ceased using the Pink Pills, and in that time she has been entirely free from pain or weakness, and says she is confident no other medicine could have performed the wonder Dr. Williams' Pink Pills have done for her. She says "I feel happy not only because I am now free from pain or ache, but because if my old trouble should return at any time I know to what remedy to look for a release."

Dr. Williams' Pink Pills are especially valuable to women. They build up the blood, restore the nerves, and eradicate those troubles which make the lives of so many women, old and young, a burden. Dizziness, palpitation of the heart, nervous headache and nervous prostration speedily yield to this wonderful medicine.

These Pills are manufactured by the Dr. Williams' Medicine Company, of Brockville, Ont., and Schenectady, N. Y., and sold in boxes (never in loose form by the dozen or hundred, and the public are cautioned against numerous imitations in this shape), at 50c. a box, or six boxes for 2.50, and may be had of all druggists, or direct by mail from Dr. Williams' Medicine Co, at either address.

ESTABLISHED 1867.
