### TEN YEARS OF Upper Canada in Peace and War (1805-15).

Being the Ridout Letters, with Annotations by  
MATILDA EDGAR. 49/52  
Demy, 8vo, 366 pp. Price, postpaid, \$2.00.

"This is a book that will be read with the greatest pleasure by all Canadians. From the papers of the Ridout Family, Mrs. Edgar has culled the material for one of the most interesting of a few eventful histories. It treats directly of the period of time which laps two generations of men. Necessarily, there is much original matter in the volume, but it is all essential to a full understanding of the time and is remarkably well done. Mrs. Edgar has so arranged the material as to lay the book down. In the chapters which precede the outbreak of the war are some pictures of the times, painted with all the color and fidelity which familiar correspondence permits, and are little less interesting than the more exciting national occurrences. The letters of Mr. T. G. Ridout are literary achievements in themselves, and Mrs. Edgar's compilation of these and other documents, with her own contributions, have resulted in a most valuable addition to the library of Canada. The book will be read a first time for its romance, and will be constantly referred to for its accurate and reliable information."—*Montreal Herald.*
