

The ore yields from one to three ounces of gold per ton, and the mine is so situated that the ore can be raised very cheaply.

Barring the absence of a suitable road, there is every facility for profitable mining operations. Several parties have already secured areas, and it is confidently hoped that this summer's work will disclose many more paying streaks in the vicinity of these already operated.

The mines are controlled by energetic, enterprising men, who mean business. It is to be hoped that the Government will see its way clear to grant the request for a special grant for opening up a road to these mines. The miners now experience great difficulty in getting machinery and supplies to their works—a drawback which in the interests of the country ought to be removed.—*Halifax Morning Chronicle.*

AN IMPORTANT WARNING.

To the Editor of

DEAR SIR,—The following paragraph, which recently appeared in the legal reports of the Toronto newspapers, is of vital importance to the people of Canada:

Q. B. AND C. P. DIVISIONS.

Before Street, J.

FULFORD vs. HOWE.—Hoyle, Q. C., for the plaintiff, George Taylor Fulford, of the town of Brockville, druggist, moved for an injunction restraining the defendants, S. L. Howe and W. A. Howe, from selling pills in imitation of those sold by the plaintiff under the name of "Dr. Williams' Pink Pills for Pale People," and thereby infringing the plaintiff's trade mark for such pills registered under that name which, the plaintiff alleges, by reason of his extensive advertising, is well known throughout Canada. Judgment granted for a perpetual injunction.

An old adage has it that "imitation is the sincerest flattery," but when imitation takes the form of palming off upon the public worthless, perhaps positively harmful, drugs, in imitation of a popular remedy, it is quite time the public is aroused to a sense of the injustice done them. There is no other proprietary remedy in Canada to-day that approaches Dr. Williams' Pink Pills in the esteem and confidence with which it is regarded by the people. And justly so, as this remedy has to its credit cures in cases where even the most eminent men in the ranks of medical science had pronounced the patients incurable. These cases have been thoroughly investigated by such leading newspapers as the Toronto Globe, Hamilton Times, Spectator and Herald, Halifax Herald, Detroit News, Albany Journal, LeMonde, Montreal and others, and their accuracy vouched for. Thus Dr. Williams' Pink Pills have achieved a continental reputation, with the result that we find dealers here and there imposing upon the public by selling,

in their stead, for the sake of extra profit, worthless imitations. These imitations are sometimes given names somewhat approaching the original, while in other cases the dealer, while not openly offering an imitation, imposes upon the customer by declaring that he can give him something "just as good." In still other cases Dr. Williams' Pink Pills are openly imitated in size, color and shape, and are sold in loose form by the dozen or hundred as the genuine Pink Pills. Against all these imitations the public should be constantly on their guard. There is absolutely no other pill, or no other remedy, that can take the place of Dr. Williams' Pink Pills as a nerve tonic and blood builder. To purchase any imitation, any substitute or any remedy said to be "just as good" is a worse than useless expenditure of money. The public can protect themselves against all imitations of this great remedy if they will remember that *Dr. Williams' Pink Pills are never sold in bulk or by the dozen or hundred.* They are always put up in neat round boxes about two and a half inches in length, the wrapper around which is printed in red ink, and bears the trade mark, "Dr. Williams' Pink Pills for Pale People." If offered to you in any other form depend upon it they are worthless imitations and should be rejected as such. If your dealer does not keep Dr. Williams' Pink Pills do not let him persuade you to take any substitute he may say is "just as good." Dr. Williams' Pink Pills may be had by mail, post paid, on receipt of price, 50 cents a box, or six boxes for \$2.50, by addressing The Dr. Williams' Medicine Co., Brockville, Ont., or Morristown, N. Y.

NEWS.

THE GLASGOW CHAMPIONSHIP.—This match between Seabright and McKelvie, to which we alluded last week, came to a close on March 26, when Seabright, having made a score of 11 wins out of 21 games, was declared the victor. The score was a remarkable one, standing at the close—Seabright 11, McKelvie 1, drawn 9.

SOLUTIONS.

PROBLEM 271.—The position was: black men 2, 4, 10, 13, 15; white men 16, 20, 21, 22, 25; white to move; what result? We have been somewhat amused by the experience of our esteemed correspondent, Mr. Oliver McGill, of Yarmouth, who, by the way, is the only one, so far as we know, of our solvers who appears to have carefully studied this interesting problem. He sent us a solution that seemed to him correct, but after despatching this to us, he revised his work, and discovering that it was not sound, he on the following day sent us a corrected solution, which we publish as below:—

16	11	12	8	11	2	9	18
10-14	24-27	4-11	17-22				
20	16	8	3	2	6		
15-19	27-31	31-26	black				
16	12	a-3	8	6	9	wins.	
19-24	2-7	26-17					

a If 3 7 here black can win by 4-8, but can only draw by playing 31-26.

PROBLEM 272.—The position was: black men 5, 6, 8, 11, 12, 16, 17, 20, white men 15, 18, 19, 23, 24, 27, 30, 32; white to play and win. Solution by Mr. Oliver McGill, Yarmouth:—

18	14	6-15	16-23	20-27		
11-18	23	14	27	4	32	23
17	10					w. wins.

* This leaves the position which we present as

PROBLEM 274.

Black men 5, 6, 7, 12, 15.

White men 13, 14, 21, 24, 28. Black to play. What result? A student will find this an interesting end game—black's strength being more apparent than real.

Ayer's Pills

Are compounded with the view to general usefulness and adaptability. They are composed of the purest vegetable aperients. Their delicate sugar-coating, which readily dissolves in the stomach, preserves their full medicinal value and makes them easy to take, either by old or young. For constipation, dyspepsia, biliousness, sick headache, and the common derangements of the *Stomach, Liver, and Bowels*; also to check colds and fevers, Ayer's Pills

Are the Best

Unlike other cathartics, the effect of Ayer's Pills is to *strengthen* the excretory organs and restore to them their regular and natural action. Doctors everywhere prescribe them. In spite of immense competition, they have always maintained their popularity as a *family medicine*, being in greater demand now than ever before. They are put up both in vials and boxes, and whether for home use or travel, Ayer's Pills are preferable to any other. Have you ever tried them?
