ROSE BANK NURSERIES.

THE SUBSCRIBER has upwards of 200,000 young FRUIT TREES; in various stages of forwardness comprising all the best varieties of APPLES, PEARS, PLUMS, CHERRIES, PEACHES, NECTARINES, APRICOTS and QUINCES; a portion of the four first kinds, being on Dwarf Stocks. He has taken great pains in propagating, so as to be able to warrant what he sells as true to their names, and in healthy thrifty condition. He is also particular to have them taken up and packed very carefully, so that they may be sent, with perfect safety, to any distance; and he is happy to learn, from many quarters, that the parcels he has already sent to various parts of Upper and Lower Canada, and the United States, have turned out well.

He also propagates, extensively, for sale, the newest and best kinds of GRAPE VINES, GOOSEBERRIES, RASPBERRIES, STRAWBERRIES and CURRANTS;

TOGETHER WITH A general assortment of ORNAMENTAL TREES and FLOWERING SHRUBS, comprising a rich variety of named ROSES and TREE PEONIES.
