### MEETINGS FOR YOUNG MEN.

**A** HE series of Evangelistic Services (for Young Men Only,) announced in last week's Bulletin, were commenced on Monday last, and have been continued each evening. The attendance has been good, and the audience composed of that class to which our attention is specially directed. The great majority were young men who were led into the meetings by the invitation slip handed them while walking the street. The Spirit of God was manifestly working in the hearts of many, and thus far we have been rejoiced in seeing some accept the "unspeakable gift," and going "down to their homes justified." We shall (D. V.) continue the meetings for another week, every night except Tuesday (on which evening our Hall is engaged.) We shall however devote that evening to a meeting of our workers for prayer. We again ask every Christian who may receive this Bulletin to remember the work in prayer. We have been much cheered by the response given to our circular regarding the past week's services, and desire to thank those Brethren of other Associations who have by letter encouraged us, and strengthened our hands.
