Waterman's Ideal Fountain Pen

The pen with the Clip-Cap.

When Traveling

this pen, which is the standard of the world, is practically indispensable,—more so than under any other circumstances.

With it you can write a letter or a postal, an order or an acknowledgment, from anywhere at any time.

Equipped as it is with a 14-kt. gold pen tipped with iridium, it will last almost indefinitely.

Insist on the Clip-Cap, which grips the pocket and insures against loss. Write for Booklet, "Points for Penmen."

For sale by all responsible dealers everywhere.
