## Read what this Mother says :

"I am the mother of eleven children and have brought them all up on Robinson's 'Patent' Barley, since they were a fortnight old; they were all fine healthy babies. My baby is now just seven weeks old, and improves daily. A friend of mine had a very delicate baby which was gradually wasting away, and she tried several kinds of food, and when I saw her I recommended her the 'Patent' Barley, and it is almost wonderful how the child has improved since taking it. I have recommended it to several people, as I think it is a splendid food for babies, and I advise every mother that has to bring up her baby by hand to use Robinson's 'Patent' Barley, as it is unequalled."
