## "New Era" Typewriter

... \$12.00

This is a standard made and durable machine, and will do work fully equal to any \$100 machine, at an average speed of thirty-five words per minute.

You may not need a professional stenographer, but it would certainly pay you to have a machine like this, as, besides the great convenience, it is an undoubted fact that typewritten letters create a much better impression than those written by hand.

Send for descriptive circular and sample of work.
