A WORD TO THE WISE.

There are other railroads, but if you can get a ticket via the New York Central you know you will have not only the *best service* and make the *fastest* time, but when you reach your journey's end you will find yourself in the center of the city to which you travel, and having passed over the most comfortable route you will vow never to go by any other.

"A word to the wise is better than an un-
abridged dictionary to one who can't read."
