MONTREAL

Merchant to applicant: Do you think you know enough to assist me in the office? Boy: Know enough? Why, I left my last place because the boss said I knew more than he did.

"Did he marry the girl who could paint things on crockery ware?" "No; he married one who could cook things to put into crockery ware."

PUTTING ON THE LEGAL BRAKE.-A junior once referred in court to the Book of Nature. "What page and what edition?" exclaimed the judge.

"But, papa, you said you were in no hurry to have your girls married." "Yes, my dear; but that was ten years ago."

Montreal, November 1891. I was suffering for three months from an obstinate cough, pricking in my throat, night sweats and a general debility, which caused me to fear consumption of the throat. I am now perfectly well, and owe my cure to Dr. Lautoletes Syrup of Turpentine. I took four small bottles of 26 cents each. Felix Sauvageau, General Contractor, No. 1784 St. Antoine Street.

Montreal, 29th February, 1892.—J. G. Laviolette, Esq., M.D., No. 217 Commissioners steect Sir,—I suffered for 22 years from a severe bronchitis and oppression which I had caught during the France-Prussian war. I made use in France and Canada of many important remedies, but unavailingly. I am now completely cured after having used 4. bottles of your Syrup of Turpentine I am happy to give you this testimonial, and hopefor the good of humanity, your syrup may become known everywhere. Auguste Bours. NEL, Advertising Agent for "Le National."

Montheal, 18th December, 1890. I, the undersigned, do certify that Dr. Laviolette's Syrup of Turpentine, which I am using for some time, is the only remedy that has given me a notable relief from "Asthma," a disease from which I have been a sufferer for many years, and which had become so very serious as to require my dispensation from occupation of any kind. I have been treated by seversiphysicians abroad, but witnout the slightest result; and do here state that the progressive improvement which is daily taking place in my health by the use of this Syrup gives me entire confidence in a radical cure. Sitter OCTAVIEN, Sister of Charity of the Providence, corner of Fullum and St. Catherine Sts.

PROVIDENCE ASYLUM, corner St. Hubert and St. Catherine Streets. I consider it my duty to certify that, being a sufferer from Chronic Bronchitis since over 22 years, the use of Doctor Laviolette's Syrup of Turpenting has given me a great relief. The cough have diminished and sleep has returned gradually Sister TEOMAS COESINI, Slater of Charity of the Providence.
