

THE Toronto General Trusts Co., AND SAFE DEPOSIT VAULTS.

CAPITAL, - - - - \$1,000,000.

President—Hon. Edward Blake, LL.D., Q.C., M.P.
Vice-President—E. A. Meredith, Esq., LL.D.

Consequent on the increase in business, the premises formerly occupied by the Canadian Bank of Commerce, on the corner Yonge and Colborne Streets, has been purchased and entirely reconstructed for the Toronto General Trusts Co. and its tenants.

SAFE DEPOSIT DEPARTMENT.

The Vaults are in a building specially constructed, most substantial and secure, fire and burglar-proof, and unequalled in Ontario, costing over \$30,000.

Safes and Compartments varying from the small box, for those wishing to preserve a few papers, to large safes for firms and corporations, are rented at low rates, and afford ample security against loss by fire, robbery, or accident. Bonds, Stocks, Deeds, Wills, Plate, Jewellery and other valuables are also stored. An examination of these vaults by the public is requested.

TRUST & AGENCY DEPARTMENT.

Under the approval of the Ontario Government, the Company is accepted by the High Court of Justice as a Trusts Company, and from its organization has been employed by the Court for the investment of Court Funds. The Company acts as Executor, Administrator, Receiver, Committee of Lunatics, Guardian of Children, Assignee of Estates, Agent, etc., and as Trustee under Deeds, Wills, or Court Appointments or Substitutions, and also as Agent for Executors Trustees and others thus relieving them from onerous and disagreeable duties. It obviates the need of security for administration.

The Company invests money, at best rates, in first mortgages or other securities; collects Rents, Interest, Dividends, and acts as Agent in all kinds of financial business. It also countersigns Corporate Securities. For further information apply to

MONTREAL MARKETS.

MONTREAL, July 2nd, 1890.

ASHES.—Some further moderate lots have gone to Havre, France, making about 140 brls. within last ten days, but apart from this business is quiet. Receipts continue small, June being 120 brls. short of June, 1889. We quote first quality pots about \$4.10, seconds \$3.60. All the pearls coming in are going to one hand, and it is hard to make any quotation.

BOOTS, SHOES, AND LEATHER.—The week has been a quiet one in these lines. Shoe men, as a rule, seem fairly satisfied with orders, but

have not yet begun general cutting, and the factories are at the moment rather quiet, but the leather dealers are hoping that the month may prove a fair one, and seem to think that it ought to be. There is a good supply of leather in hand, but prices hold the recently acquired firmness. There have been no further large sales to England this week. Switzerland is looming up as a possible good customer for Canadian leather; already this spring some fair lots, comprising a general selection, have gone there, and further orders are looked for. We quote:—Spanish sole, B. A., No. 1, 20 to 22c.; do., No. 2, B.A., 16 to 18c.; No. 1, ordinary Spanish, 19 to 20c.; No. 2 ditto, 16 to 17c.; No. 1, China, 18 to 19c.; No. 1 slaughter, 22 to 24c.; No. 2 do. 20 to 21c.; American oak sole, 39 to 43c.; British oak sole, 38 to 45c.; waxed upper, light and medium, 29 to 32c.; ditto, heavy, 24 to 30c.; grained, 28 to 32c.; Scotch grained, 30 to 33c.; splits, large, 15 to 20c.; do., small, 12 to 16c.;

calf-splits, 32 to 33c.; calfskins (35 to 40 lbs.), 40 to 55c.; imitation French calfskins, 65 to 75c.; russet sheepskin linings, 30 to 40c.; harness, 22 to 27c.; buffed cow, 11½ to 14c.; pebbled cow, 10½ to 14c.; rough, 16 to 21c.; russet and bridle, 45 to 55c.

CEMENTS, &c.—Values still tend to be easier, though we hear of no further transactions at \$2.20; an ordinary quotation would be \$2.45 to 2.75, though a big lot might be had at \$2.30. Stocks show no further accumulation, but are still very full. Fire-bricks \$25 to 30 per M.
