

ST. LOUIS MUTUAL Life Insurance Comp'y. OF ST. LOUIS, MO.

ASSETS Dec. 31, 1872 - \$6514,020
LIABILITIES " - 5985,530
SURPLUS " - \$528,490
New Business secured in 1872:
 \$19,939,117.

It will be seen from the above statement that this Company has in assets \$1.08 for every dollar of liabilities. It will also be seen, from the immense volume of new business it secured last year (the entire business done in Canada last year by all companies, as shown by Government returns, amounted to only a fraction more than twenty millions) that the advantages which it offers are fully appreciated by the public.

That eminent and well-known actuary, Hon. Elizur Wright, of Boston, in a letter to this Company says:—"The higher rates of interest in the West give your Company a decided advantage, and the day is not far distant when, if you seek those fields, the St. Louis Mutual Life will draw more money from the East than Eastern Companies now draw from the West. The indemnity will be as certain, and, on the average, sure to cost less than in companies which cannot invest so profitably."

\$1,000 compounded for thirty years at ten per cent. interest amounts to \$7,449.40, while the same amount, compounded for the same length of time at six per cent., amounts to only \$5,743.50. It is therefore a self-evident fact that the company which receives the highest rate of interest on its investments, other things being equal, will pay the largest dividends to its policy holders.

Particular attention is invited to the **SAVINGS DEPOSIT PLAN**, recently introduced by this Company. On this plan a person can insure on the ordinary life rates, and at the end of fifteen years, or of any subsequent period of five years, withdraw his entire interest in the Company, which, at the end of twenty years, would, on most conservative estimates, be considerably more than **DOUBLE THE AMOUNT OF PREMIUMS PAID.**

The Gore District

Mutual Fire Insurance Company

HAVE BEE DOING BUSINESS ON THE Mutual System for THIRTY-THREE YEARS. It undertakes the insurance of all descriptions of property, excepting certain which are extra hazardous, against loss or damage by fire or lightning. The cost of insuring with it ranges from

SIXTEEN TO TWENTY CENTS IN THE DOLLAR Less than in an ordinary proprietary company. It offers the option of insuring either on the PREMIUM NOTE, or CASH PREMIUM system; and although by adopting the latter a very considerable saving can be effected. The premium note system is undoubtedly the cheaper of the two. Its special tariff of rates for the insurance of

ISOLATED DWELLINGS,

And their contents recommends itself on the score of economy. It offers security which is ample; and by never allowing its limit of insurance on a single risk to exceed an amount which is proportionate to its assets, it is enabled to meet its engagements as they may mature and settle them with promptitude and liberality.
