The American people ought to be proud of these four periodicals. It is no exaggeration to say that the steady influence exerted upon the life and thought of the nation from the publishing house in Franklin Square is at least equal to that of one of the great universities. . . . All four of the Harper periodicals are better now than they ever were before. How much that means, everybody knows who has been Harper bred.—N. Y. Sun, Feb. 10, 1890.

Booksellers and Postmasters usually receive Subscriptions. Subscriptions sent direct to the Publishers should be accompanied by Post-office Money Order or Draft. When no time is specified, Subscriptions will begin with the current number.

Published by HARPER & BROTHERS, Franklin Square, New York.

How a man with no surplus of estate, but still enough money to pay the premium on a life insurance policy can refuse to do it, and then look his children in the face and say his prayers at night on going to bed, expecting them to be answered, is a mystery to me that I have never yet been able to fathom.—TALMAGE.

The Compound Investment Plan

Combines all the advantages of Insurance and Investment, and under it the Company guarantees after the policy has existed ten years, if the insured so desires, to loan to him the annual premiums as they mature, thus enabling him to continue the policy in force to the end of the investment period. Should death occur after the tenth year the full face of the policy will be paid, and loan (if any) cancelled.

The 7 Per Cent. Guaranteed Income Bond

Provides that at the end of a stated period the insured can draw out his cash surplus, have a paid-up policy for the full amount of the Bond and in addition draw an annual income of 7 per cent. on the face of the BOND so long as he lives.
