

A neat Concrete Mixing and Hoisting Outfit combined

"The Ransome"

Ransome Concrete Mixers have many advantages over all other types. Easy to load—on account of very low feed opening—also the discharge is so simple that time and labor is saved continually. Extremely well built, very simple and efficient in operation. We furnish Ransome Mixers in all sizes, equip-

Should you require a mixer, also a hoisting engine—we can submit you a proposal on an outfit as shown. This Ransome Concrete Mixer has a direct-gear hoisting drum and for all ordinary work this compact outfit has proven itself very satisfactory. We would like your enquiry, anyway, as we can surely satisfy you.

ped with all styles of power. A postcard will bring our catalogue containing full particulars and illustrations.
