

# FAIRBANKS WAGON SCALES

Every Municipality should have one

Fairbanks Scales present a striking example of goods so highly developed, so thoroughly known and accepted, that they have become a standard of excellence everywhere.

The keenest competition during the past eighty years has failed in any way to affect the progress of our output; our Scales have proved their supreme right through long years of satisfactory service, to the universal confidence in them as representing the Ideal in Honest Weights and Measures.

## AN IDEAL INSTALLATION

The accompanying cut illustrates a portion of the new Central Office at Port Arthur, Ont. The equipment includes a Northern Electric four circuit storage battery board and a Gamewell four circuit automatic repeater and punch register.

This makes an ideal installation for towns of ten to fifteen thousand population.

At each house are specialists whose services are at your disposal. We have only one standard of quality—the best.
