ARTICLE 21

Finance

1. The expenses of delegations to the Council and of representatives on its Committees and Sub-Committees shall be met by their respective Governments. The other expenses necessary for the administration of this Convention shall be met by annual contributions from all members. The contribution of each member for each crop year shall be in the proportion which the number of its votes in the Annex bears to the total of the votes of members in the Annex, as adjusted under paragraph 2 of Article 11 to reflect the membership of the Convention at the time when the budget for that crop year is adopted.

2. At its first session after this Convention comes into force, the Council shall approve its budget for the crop year ending 30 June 1987, and assess the contribution to be paid by each member.

3. The Council shall, at a session during the second half of each crop year, approve its budget for the following crop year and assess the contribution to be paid by each member for that crop year.

4. The initial contribution of any member acceding to this Convention under paragraph 1 of Article 27 shall be assessed by the Council on the basis of the votes to be distributed to it under paragraph 2(b) of Article 11 and the period remaining in the current crop year, but the assessments made upon other members for the current crop year shall not be altered.

5. Contributions shall be payable immediately upon assessment.

6. If, at the end of six months following the date on which its contribution is due in accordance with paragraph 5 of this Article, a member has not paid its full contribution, the Executive Director shall request the member to make payment as quickly as possible. If, at the expiration of six months after the request of the Executive Director, the member has still not paid its contribution, its voting rights in the Council and in the Executive Committee shall be suspended until such time as it has made full payment of the contribution.
