

Australia

(Students and Young Workers)

Program

Working Holiday

Age limit

18 to 25 years

Particulars

The program allows young Canadians to spend their vacation, for a maximum of six months, working on an incidental basis to support their stay in Australia.

With current world economic conditions, employment opportunities are somewhat scarce. Australian immigration officials will therefore demand proof that Canadians can afford to travel in Australia on their own (return ticket and sufficient funds for their stay). Work can generally be found in the service industry and in farming.

Application deadline

Open all year

Entrance (Visa)

A limited number of temporary entry visas may be delivered to young Canadians who meet the requirements.
