University of Missouri,
Columbia, U.S.A.

Dear Sir,

Your letter of May 23rd, addressed to "Sir Matthews Currie, McGill University", reached me some time ago, but I was afraid it had been sent to me in error, as it seemed improbable you would nominate me to serve on an Advisory Committee to assist in purchasing a college library in Missouri. I now have your letter of June 14th, and I note that I am asked to serve in this capacity as President of the Association of American Universities for the current year.

You may add my name to your Committee, as President of the Association. I note that the Advisory Committee you are setting up is self-perpetuating, and I take it I shall only be a member until the expiration of my term as President of the Association, which will be in October next.

Yours faithfully,

Principal, for
McGill University, President of
the Association of American
Universities, 1932-33.
