If you have enjoyed GRAUSTARK you will want to read the Author's last book

## CASTLE CRANEYCROW

BY GEO. BARR MCCUTCHEON

It is an absolutely different kind of story from Graustark, as far as plot goes, but it is fully as clever and just as interesting.

The scene is laid for the most part in Europe.

It is the kind of story that keeps the reader guessing from start to finish.

Paper, 75c.

Cloth, \$1.25.
