480 HORSES AT AUCTION

Tuesday, Jan. 14, and Friday, Jan. 17

HEAVY CONSIGNMENTS OF THE BEST HORSES OF ALL CLASSES WILL BE HERE FOR THESE BIG SALES, FRESH OUT OF THE COUNTRY, AND SHIPPED BY EXPERIENCED AND RELIABLE CONSIGNORS.

The following IMPORTANT SPECIAL SALES are set down for Tuesday next, January 14th. They will afford as good an opportunity as ever happens to buy good and tried horses at whatever prices the public bid for them.

The Robert SIMPSON Company This Firm's

Great Annual Sale of 94 Delivery Horses

WILL TAKE PLACE AT THE REPOSITORY ON TUESDAY, JAN. 14TH, AT 11 O'CLOCK SHARP.

The Robert Simpson Company, Limited, purchased seventy-one extra horses in view of the heavy Christmas trade. These were as good delivery horses as could be procured, but they are not gray—the only color which the company use under ordinary circumstances. They are also disposing of twenty-three horses which have got too heavy for their regular work. There are many mares. They are certainly an excellent lot, and this is the great sale of the year to get a good and well-broken horse of the General Purpose or Delivery type at your own price. Every one will be sold at this auction.

The well-known Show Pony, "JOE ROCK," 6 years, 13.1 hands, sound and well broken to harness and saddle, will be sold on Tuesday, the 14th. He has won a number of prizes at Toronto Horse Show, Toronto Exhibition and Open-Air Horse Show.

The Delaplante Brick & Lumber Co. East Toronto

have instructed us to sell on Tuesday next, Jan. 14th.

20 HORSES

These are First-class Draught Horses, that have been worked right in the city and district, and they are in the best possible condition. They are just out of hard work, and as the owners have no more use for them during the winter, we are to sell them now for the best offers at auction.

Mr. C. A. WARD, Cartage and Storage Agent, consigns 20 HORSES

also for absolute sale on the same day, Jan. 14th. Mr. Ward bought these horses at high prices, but prefers to sell them now rather than winter them. They are big horses and good ones, fit for the hardest job.

Eight Teams of Work Horses

Consigned by Mr. BERT V. WEESE, Contractor

will be sold without reserve on Tuesday, Jan. 14th. They have been teaming in the city all summer and fall, are a first-class lot of horses, and have plenty of size and weight. Mr. Weese is giving up the business in the meantime, and our instructions from him are to cash these horses on Tuesday. They are all genuine good workers, and in excellent shape.

NEVER IN THE PAGES

Takes Two Heats of Unfinished Free-For-All and Beats Out Richard S.

The ice meeting just finished by the Dufferin Driving Club wound up, so to speak, in a blaze of glory. Thursday there were three races carried and it was expected that the management would be able to get them finished. There was a number of delays, caused by pulling shoes and other minor causes, which made it necessary for the free-for-all to be carried over till yesterday. There was considerable comment by dissenting parties as to what could or could not be done. However, the judges decided that rather than take a chance of anything happening to mar the splendid results of this meeting they would postpone instead of having a heat after dark.

The Dufferin Driving Club have given the public good clean honest racing. Their meeting was a splendid success from a racing standpoint and they now have the credit at Dufferin track of holding a real world's record over a dissenting party made by J. E. Gray's Grattan Royal, driven by Neil Ray, who is quartered at this track, 2:15 1/2 over ice, and that may stand longer than the record made by Dorris B in 1908.

Promptly at 8 o'clock yesterday Starter Noble called his heat for the finish of the free-for-all. At the end of the race Thursday night Richard S., owned by O. E. Sheppard, and driven by Arthur Bedford, had two heats and Nettie Ethon, owned by R. J. McBride, and driven by Wm. Hudson of Montreal, had one.

There was some little delay in starting, but Starter Noble was particularly anxious that every horse should get a fair start. When he gave the word they were all on their stride, with Nettie Ethon on the pole. As the race progressed ahead of Richard S. to the first turn, where the latter pulled out and led Nettie Ethon at the half. They raced this way till about three-quarters, when Bedford went after Nettie Ethon and it looked as if one time as if he had her collared. It was a great drive the stretch. Nettie finished first and Richard S. second. Time of mile 2:15 1/2. Very fast over ice for the fourth heat.

The fifth and final heat was also won by Nettie Ethon, but Richard S. gave her a battle all the way. Most of the horses will ship from here to Montreal, where the Montreal Driving Club will start a six-days' meeting commencing on the 16th inst. The summary:

- Free-for-all, purse \$500: Nettie Ethon, by driver R. J. McBride, Toronto (Hudson) 1 1 1 1 1 1; Richard S., ch.g., Ward & Sheppard, Toronto, (Bedford) 1 1 2 2 2 2; Bonnie Cope, h.m., George McCull, St. Thomas (Bombardier) 2 3 5 4 3; Hal H. h.g., Geo. S. McCull, St. Thomas (Call) 6 4 3 3 4; Asa, Wingham, Batavia, N. Y. (Brougham) 5 5 4 5 5; Daley at Law, h.k., Morley, Dundas (Trivette) 4 6 8 8; Time 2:15 1/2, 2:15 1/2, 2:15 1/2, 2:15 1/2.
