SIMPSON'S Home Owners' Furnishing Club

A Reasonable and Timely Arrangement

REASONABLE, isn't it, to go on with your home furnishing now, and TIMELY to be able to do so without tying up a lot of cash at once?

Not one cent charged for spreading payments over the year—**not one cent added to the close, cash prices at which all goods are marked.**

This is the arrangement many sensible people are making at the office of the Home Owners' Furnishing Club, Fourth Floor. Come and talk the proposition over with the secretary.
