TOWNSHIP DIAGRAM.

This Diagram is intended to illustrate the uniform disposition of Free Grant and Pre-emption Lands, also of Railway or Public Lands, as the case may be, in each Township in Manitoba and the North-West Territories.

NOTE.—The system of Survey fixed by law for Manitoba and the North-West Territories defines all Townships as of the uniform dimensions, mode of division into Sections, and the numbering of the Sections as shown on Diagram. Each Section is about one mile square, and contains 640 acres, and is sub-divided into quarter-sections of 160 acres each, more or less.

A Road Allowance of 99 feet, or one-and-a-half chains, is laid out on the lines dividing Sections, and on all Boundaries of Townships, according to the original system of survey, under which nearly the whole of the lands shown on this Map were surveyed.
